

Lulu

Sponsored by
Sepulveda Building Materials Charity Golf Tournament

**Lulu visited another puppy raiser for a few days
She received lots of love and tons of praise**

**She looks content and happy as can be
I'm sure she had fun and didn't even miss me**

**Bedding....
Really?**

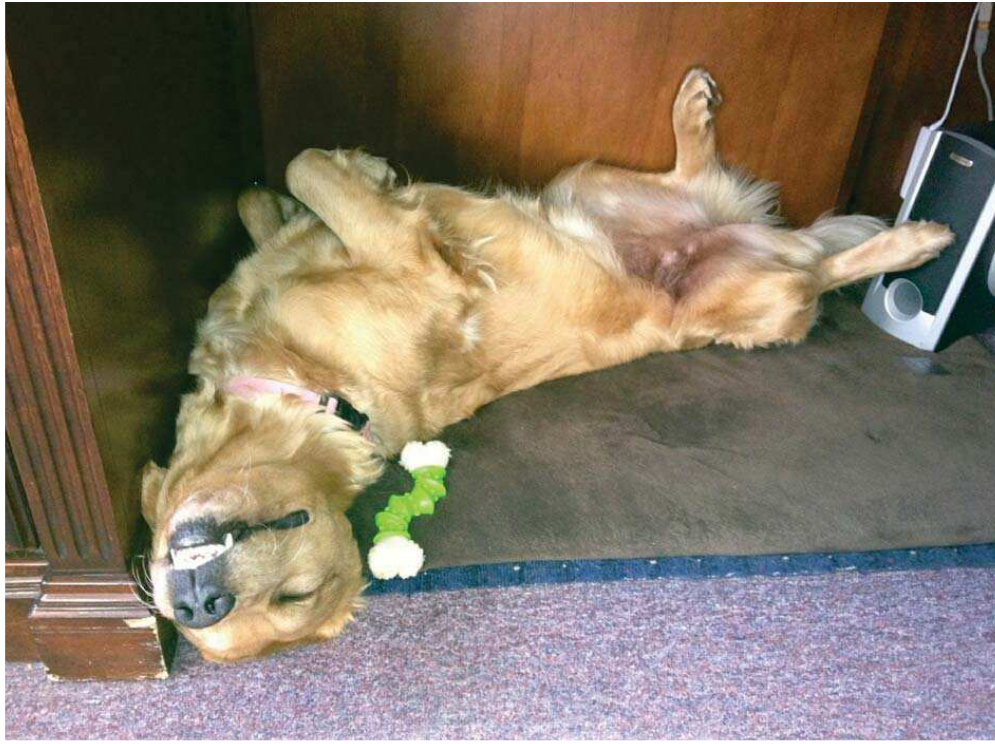

**OH YEAH....
That's what
I'm
talking
about.**

**OK, I'm on a
perfect down/stay.
Can I pick one
now?**

**I'll take one
of each
please....**

**With her puppy raisers she took many a walk
Even some power for many a block**

**As you can see she looks tuckered out
I'm sure she loved it without a doubt**

**Confused she became when
they applied a 'Special Collar'**

**We could hear her miles away,
her loud thunderous holler**

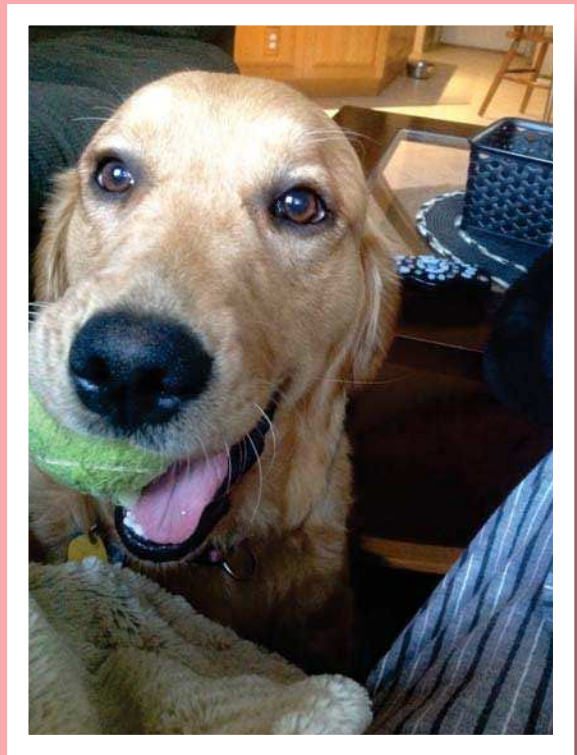

**The collar must go; for it,
we've a GRAND PLAN**

**Everybody knows Lulu's a
"Notre Dame Fan"**

**Finally back home,
a familiar routine
She looks so relaxed
without that Wolverine!**

**Her place at the office
that's where she'll stay
And back in her crate
at the end of the day!**

Does this
make my nose
look **BIG**?
