

Bodie

SPRING 2013

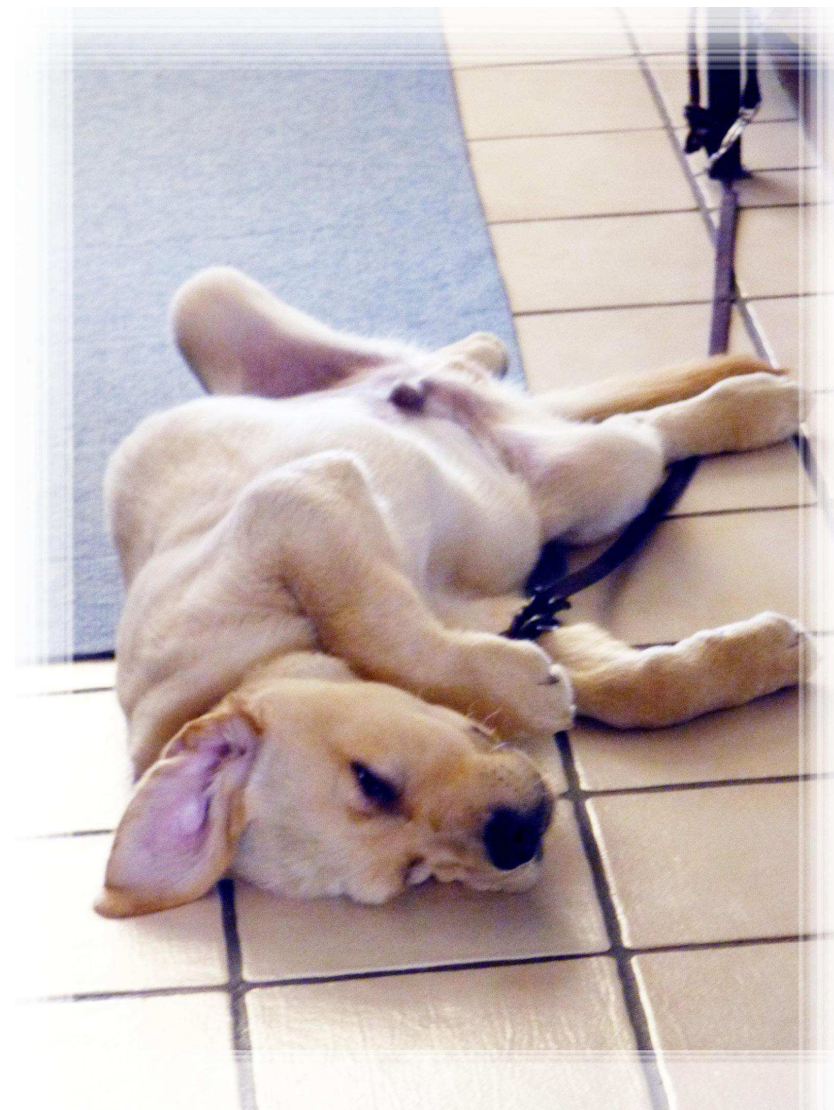

PLAY TIME

AT 12 WEEKS, BODIE DOES
WHAT MOST PUPPIES DO -
EAT, SLEEP, POO AND PLAY!

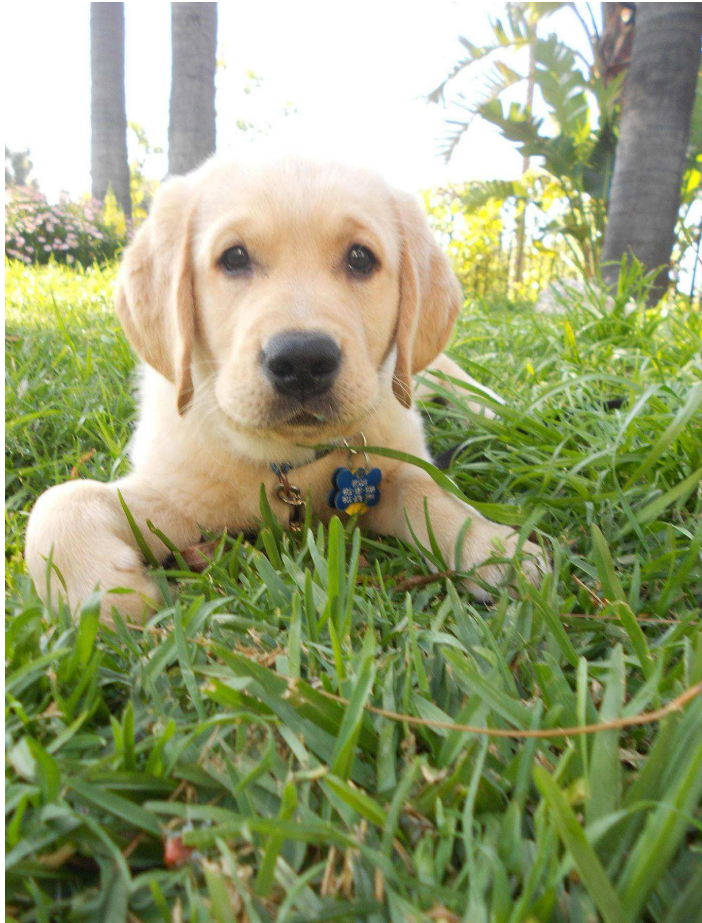

HE HAS ALREADY BEGUN
LEARNING HIS NECESSARY
OBEDIENCE SKILLS. HE IS A
MASTER AT **SIT**, **DOWN**, AND
EVEN **STAY**! WE ARE STILL
WORKING ON **COME**.

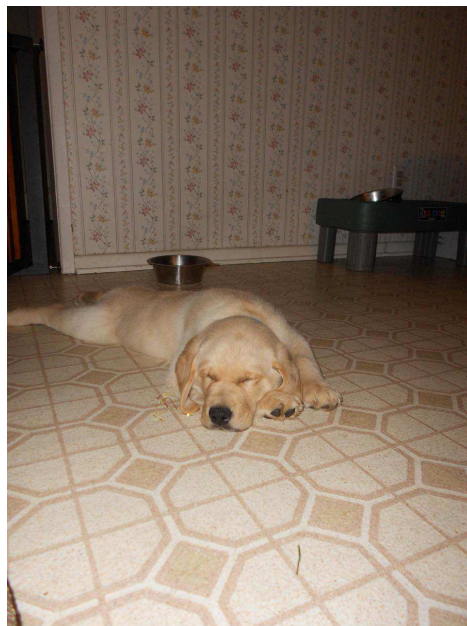

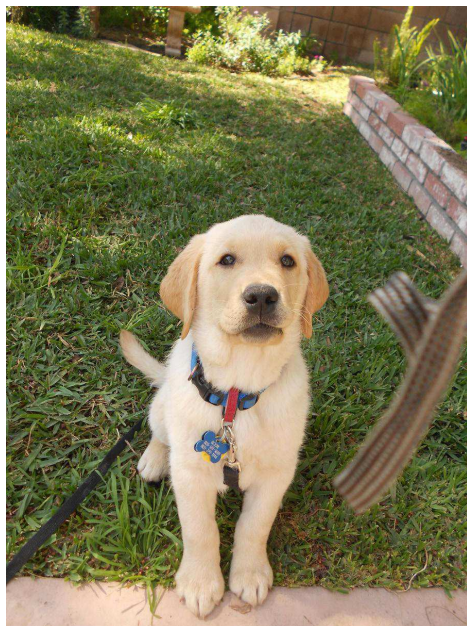

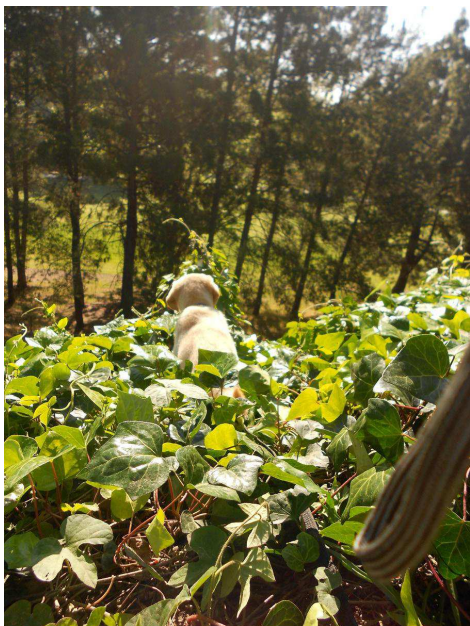

BEFORE HE HAS HIS 12 WEEK SHOTS WE
INTRODUCE BODIE TO SMALL DOSES OF NEW
ENVIORNMENTS IN A PUPPY STROLLER

VISIT TO ANOTHER
PUPPY RAISER'S HOUSE

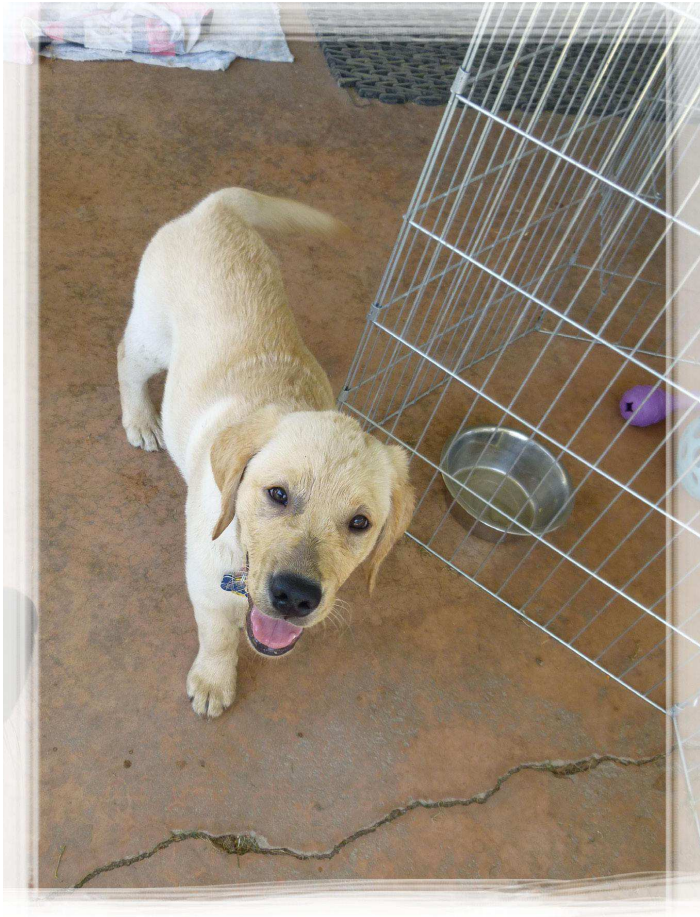

TWO OF OUR FAMILY'S DOGS (BOTH FORMER GUIDE DOG PUPPIES) ARE THERAPY CERTIFIED AND SERVE TWICE WEEKLY AT LOCAL SCHOOLS AND CARE CENTERS. BEFORE BODIE'S 12 WEEK SHOTS HE RODE ALONG IN THE STROLLER.
