

Dear Family,

I am writing to update you on my progress in service dog training. This month, I primarily focused on learning...

I am working on polishing and making all my behaviors precise.

Some other things that I am learning include...

Secondary leash-walking

I am good at... I am really good at just about everything. My duration specifically is really long on all my behaviors.

I am having challenges with... I'm challenged with working for different people that have lower energy levels.

I have the most fun when... I am working for my handler.

My favorite toy is...
