

Dear Family,

I am writing to update you on my progress in service dog training. This month, I primarily focused on learning... 'Impulse' or better known as self control to not kiss and say hi to every dog in my form. my human says I gotten way better and with time i'll be great.

Some other things that I am learning include... my human likes when I look at him like all the time, I don't fully know why but okay. Just keep the kibbies coming.

I am good at... um staring at my human, um kennel, um yeah that's it for now.

I am having challenges with... I get really, really, REALLY excited for anything, my human can sneeze and there i go superdooper excited.

I have the most fun when... my human let's me just get all that energy out and be a dumpling.

My favorite toy is... the hard donut because it's chewy.

Wags & Kisses,
