

Dear Family,

I am writing to update you on my progress in service dog training. This month, I primarily focused on learning...

How To Stay Calm, Cool, and Collected during my learning.

I am doing good but my human said "I have alot of energy" and need to slow down.

Some other things that I am learning include...

I am able To go under anything my human ask, I know how To Jump on; he belgs my human is Teaching me "side" and "heel."

I am good at...

Everything i do my human says, but i really like "go play" because i have alot of energy.

I am having challenges with.. slowing down. I have so much energy That i JUST WANT TO work and it can be difficult at Times!

I have the most fun when...

my human is like 'go play'

My favorite toy is...

The hard rubber donut because im a chewer.

Wags & Kisses,

me! only
