

Hi family,

Hope you are doing well. guide dog college. We are test and I'm studying still working out some of the the test. I have been on instructor took me to Metrolink and I got to work while I was there too. That place. One of the platforms freeway but I handled it like a pro. We also took a few more trips to Burbank. The kennel techs have made some new enrichment games and activities for all of us too. I love the extra activities when I take a break from training.

Everything is going great in getting ready for our final everything I've learned. I am kinks but feeling ready for some fun trips too. My Pasadena to ride on the with another instructor was a fun trip in a new was in the middle of a

I can't believe all the things I have learned! My instructor is proud of my progress, and I know you are too. Miss you so much but got to get back to training.
