

Dear Family,

I am writing to update you on my progress in service dog training. This month, I primarily focused on learning...

How to hold any and all items in my mouth, without chewing or mouthing the item.

Some other things that I am learning include...

I am learning "close" this behavior is when I'm between my handler's legs, sitting facing the same way my handler is.

I am good at...

Doing my side and heel behaviors. Also "come"

I am still struggling with...

putting a little pep in my step. I'm usually not in a hurry to do anything.

I have the most fun when...

Im laying next to my trainer.

My favorite toy is...

Rubber Z shaped toy.

Wags & Kisses,

Paxton
