

Hello my name is Ranger,

Thank you so much for sponsoring me. I am honored and excited to be one of the many puppies you sponsor. I will wear my Sepulveda Building Material's sponsor jacket proudly.

I am very sweet, inquisitive and always willing to learn something new.

For my safety, because I'm not fully vaccinated, I haven't been to any public places yet. I hope you will still enjoy the few pictures of my first experiences home and meeting my canine family members.

My next letter will include more photos of me being socialized in different public settings. Until then I'll be working hard a learning the many skills, I'll need to be successful when out & about. Tammy is working hard to make sure I'll be ready for every experience I'll encounter.

Until next time be safe, well & happy!

Thank you again for your sponsorship!

Your belief in our program and me is humbling. I promise to always try my best to make you proud of me and proud to sponsor more pups just like me.

I hope you enjoyed my photo's. My next letter will include more pictures of me doing all the fun things I'll get to do next quarter. Since I'm too young to go anywhere just yet, I'll continue getting lots of education around the house.

Its amazing how many things I had to learn to be a good family member. Things like; no relieving unless I'm outside, I must sleep alone all night in my own kennel, I get a food bowl all to myself, It's not nice to take the toys my friends are chewing on, and don't chase the vacuum, and don't dive into the dog hair mom just swept.

Good thing I'm such a quick learner! I already learned all those things and more.

Until next time be happy and safe, and I promise to work hard, and bring lots of cuteness your way.

Wags & Puppy kisses
