of America**

Is Pleased to Present the Recently Matched Team of

Teresa Blevins and Mamba

The Team Completed In-Home Training with Alejandra Maldonado in Dec. 2020.

Teresa is an experienced guide dog user. Mamba is her third guide dog; all of her dogs have come from Guide Dogs of America. She lives with her husband Tony in Enterprise, Ala. The Blevins' are dedicated supporters of Guide Dogs of America and they frequently head west to attend GDA events. Teresa also passionately works to educate the community about guide dogs and the work of Guide Dogs of America. She chronicles her adventures with her guide dog partners on an active Facebook page called Living with a Guide Dog, which has more than 1,500 followers!

Mamba was raised by the Yang Family of the Orange County Puppy Group.

We'd like to thank Sandy Bennett for her generous Team Sponsorship of Teresa and Mamba, Nate Israelson and Family for Mamba's harness sponsorship, and Sepulveda Building Materials Charity Golf Tournament for sponsoring Mamba during his time in the puppy program.

THANK YOU ALL FOR YOUR ROLE IN TEAM MAMBA'S SUCCESS!
