Guide Dog Puppy
in Training
August-October 2017

Hi to my sponsors at Sepulveda Building Materials and supporters! Check out my new "big girl" jacket! I'm eight months old now. I've grown so much and have had some very fun adventures. I'm going to more challenging places and learning to be a well-behaved puppy wherever we go. I'm also learning to work around lots of distractions and I'm learning that I still have to listen and do my obedience skills no matter what is going on around me. I take my work seriously, but when I'm not working, I have lots of fun playing with my puppy raisers or my dog friends. I'm a very playful and fun-loving dog on my down time!

**I'm working in
lots of new and
challenging
places**

**It's time for me
to pick up my
game now!**

**Loud machines
and men
working on the
streets don't
phase me!**

I like
SHOPPING!

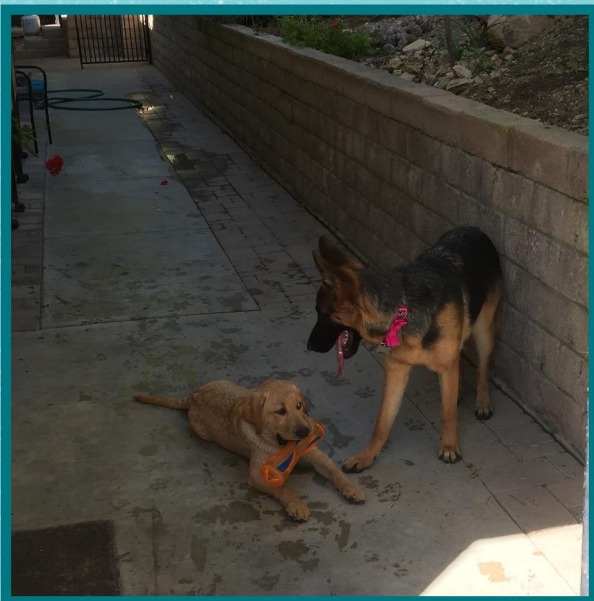

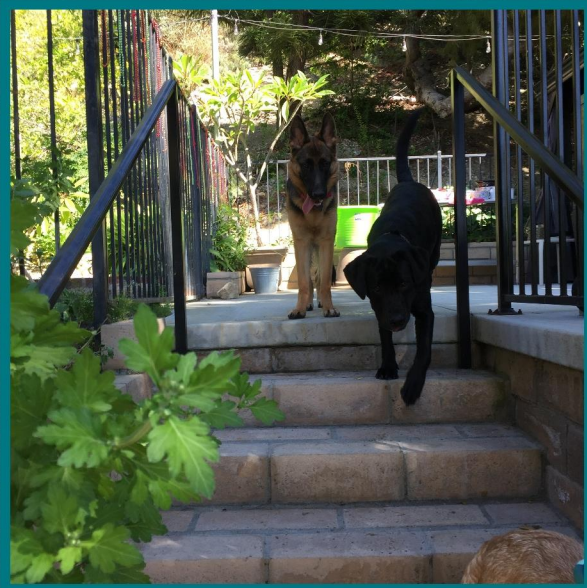

Whether it's Home
Depot for Do-It-
Yourself projects....

Or dress
shopping
with the
girls!

Making new puppy friends

When I'm not
"working" I love
to play with my
friends

Summertime Pool Fun!

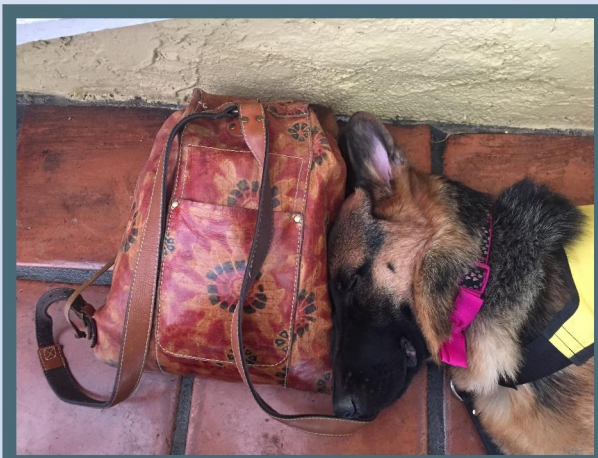

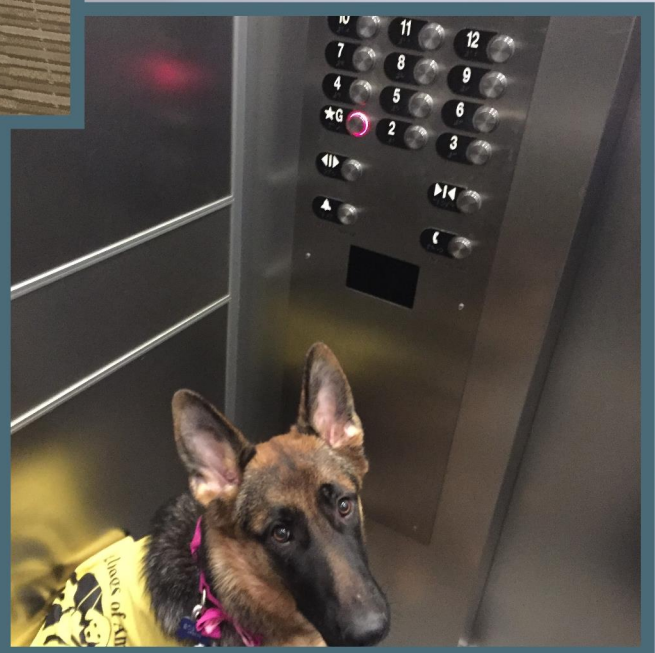

I'd rather run
around the
outside than
swim!

Obedience Class

Working on my skills and
doing GREAT!

Going to
work with
my puppy
raiser

I need to be comfortable around
all kinds of different animals.

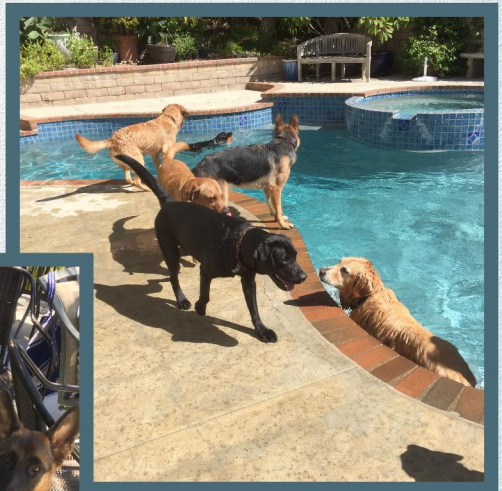

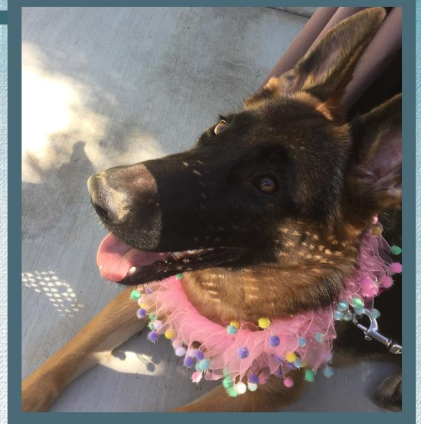

The horses and goats were
pretty fascinating!

Those ducks
though....
I liked to watch
them but I was
really good
about staying
calm and only
looking!

I LOVE a
good party!

Now we're all
ready for the
post party nap!
