

**Boston**  
GUIDE DOG PUPPY  
IN TRAINING  
*February - April 2018*

**I love lying  
in the grass  
on cool  
spring days!**

**I'm ONE Year Old!**

**My brother and I,  
along with the rest of  
my "B" litter  
celebrated our first  
birthday!**

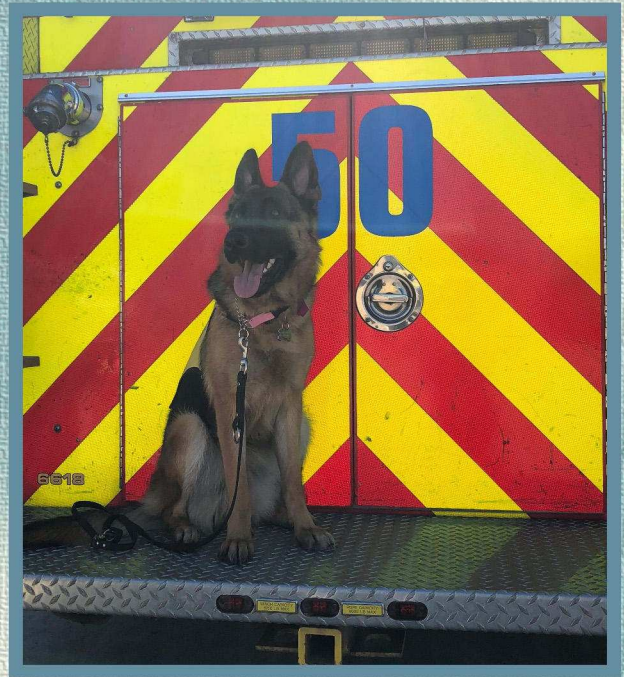

# Working on perfecting my obedience skills

**I am going on  
more  
challenging  
adventures  
now that I'm  
older.**

**With my new friends at  
Fire House 50  
in Camarillo**

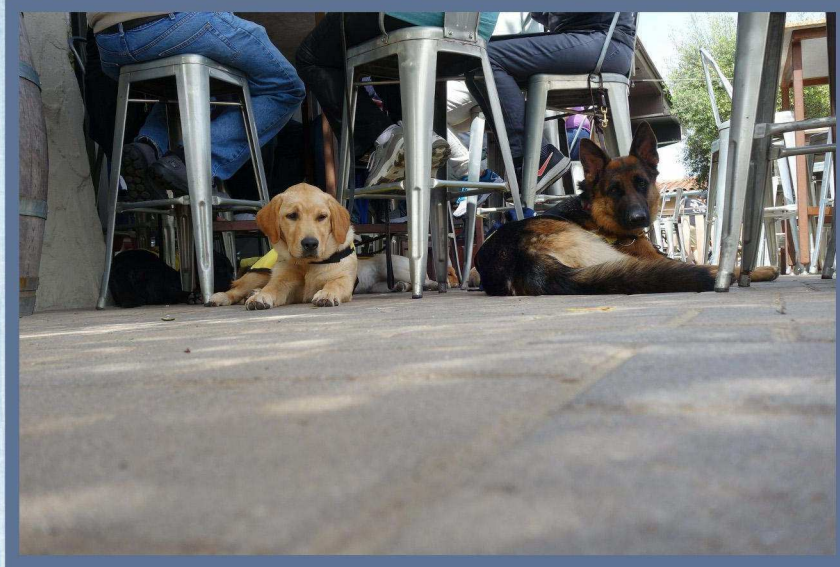

**Went along with  
my puppy raisers  
to their  
chiropractor and he  
let me try out the  
table**

**Now that I'm older, I do really well  
wating patiently until its time to  
GO again!**

**Waiting while our puppy raisers  
have lunch**

**Eye exam day-  
Dilated and waiting...  
My eyes are great!**

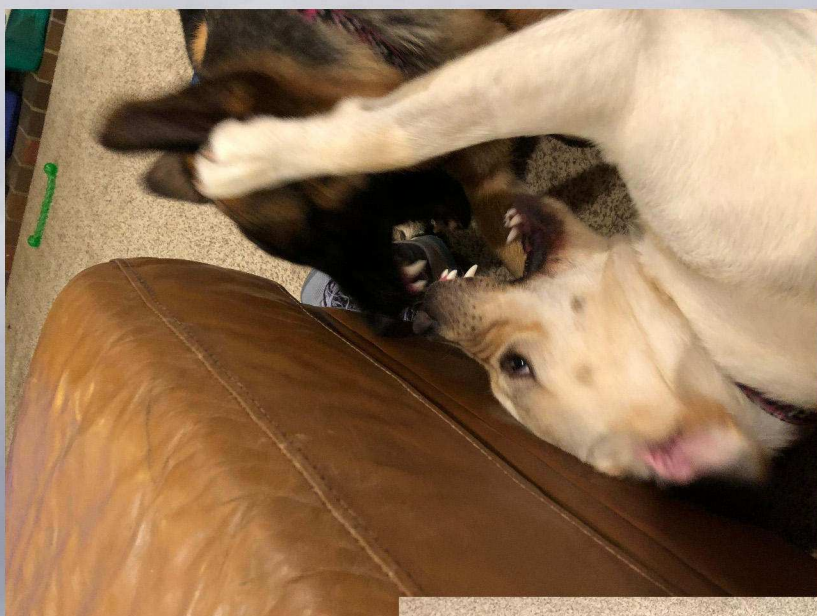

**Almost time for  
a meeting**

**On my down time, I LOVE playing with my friends!**

**Having a  
great game  
of bitey face!**

**And a nap  
together  
after the  
fun!**

**I get to hang out with my  
Girl whenever she comes  
home for a weekend**
