

# Meet.... Brooks

Puppy Pick Up Day at GDA

Hello my name is Brooks,

Thank you so much for supporting me. I am honored and excited to be one of the many puppies you have sponsored. I will wear my Sepulveda Building Materials sponsored jacket proudly.

My family thinks I am very sweet & inquisitive. I'm always ready & willing to learn the many new things being introduced to me. Because of my tender age, I haven't been able to go many places this quarter. However, I hope you'll enjoy a few photos of my first experiences.

Once I'm fully vaccinated and begin to explore and conquer the world around me, I will be sure to share those adventures too.

# My first car ride, Going home

My first car ride home was uneventful. In fact, I didn't even realize how long it took.

Who knew car rides could make a puppy so sleepy?

I ❤️ my new  
canine family

I was so happy to meet my new friends, they are so kind to me!

They let me snuggle with them when I'm missing my siblings or just need a warm snuggly friend.

They also are teaching me fun games. We play chase, tug-a-war. I also learned a fun game called "fetch", as well as some obedience games.

# So Many Rules to Learn

I am learning chewing on everything isn't allowed. My buddy Ranger is teaching me the ropes. Im learning chewing a bone with a friend is so relaxing.

I also discovered I must sleep in a kennel, by myself. That didn't sound like any fun to me, until we played a few "crate games." Now I love my kennel! Sometimes I find surprises inside.

## Meeting People

I have met lots of people since I've come to my new home.

I learned that some people have fur on their faces and wear things on their heads

I also learned that people come in different sizes some bigger and some smaller, and even some that look alike.

# Puppy Kindergarten

I started my Puppy Kindergarten class with other puppies my age.

I'm learning lots of new behaviors that will one day be helpful to someone. I want to be a working dog when I grow up!

In these photo, Mark is rewarding me for getting on the Paw Pad, and ignoring all the distractions around me.

# Thank You

Well, I hope you enjoyed seeing some of my firsts...

Next quarter I will have a lot more firsts to share with you. Until then I promise to work hard to make you proud of me.

I am very proud to have been chosen to be sponsored by Sepulveda Building Materials, and will wear my jacket proudly. Everyone who sees me will know who my generous sponsors are.

Thanks again for sponsoring me!

Until Next Time,

Brooks 🐾🐾
