Dumpling & Kuma

Kuma is another Puppy In Training with Guide Dogs of America. She is going to mentor Dumpling for the next 2 weeks until Kuma starts formal training in February.

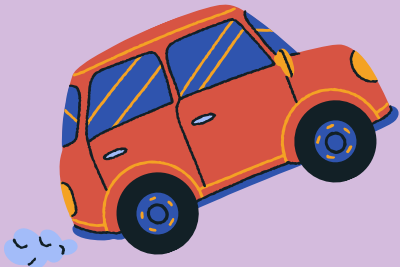

Car Rides

Crate Training

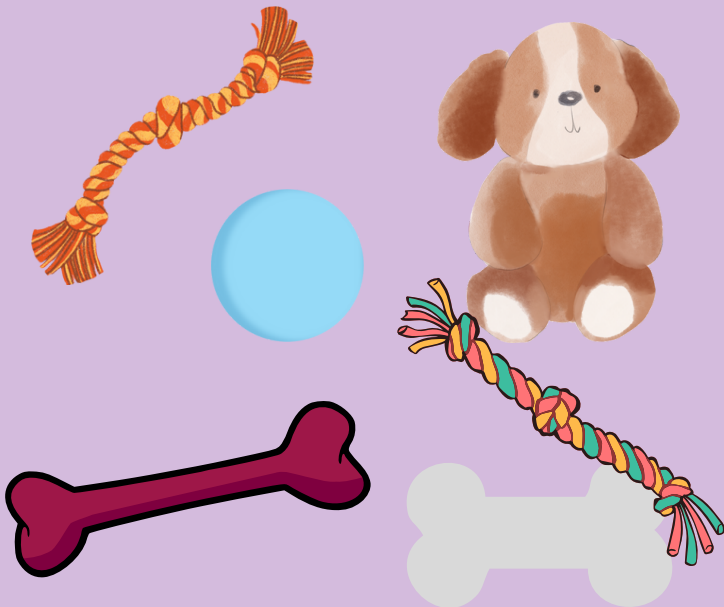

Early Training

Training starts immediately. Dumpling is potty-training, learning how to sleep in her crate, ride in a car, and basic commands like "sit".

It's not all work!
Dumpling spends
most of her
awake time playing
and exploring like
a normal puppy!

Thank you, Sepulveda Building Materials Charity Golf Tournament, for supporting Dumpling in her journey to become a service dog!

There's more to come! Her journey just began.
