

Dear Family,

I am writing to update you on my progress in service dog training. This month, I primarily focused on learning... 'HOLD'. my human said this is a very very Important behavior, so we spent a whole week which is 7 days. but we also did 'Relax', 'BACK-up', Leash guidance, Collar response among other Things.

Some other things that I am learning include...

'POST' is when you stand across from your human in front of their knees, left or right. Then we were gonna do 'TUG' which is pulling on a fleece to open doors or drawers.

I am good at...

'Hold' since we took a week on learning I think I am an expert.

I am having challenges with...

we're doing things with these items in my mouth, and my human said it's all about learning to do it while 'Holding'. but I am getting it.

I have the most fun when...

I am working and eating or playing.

My favorite toy is...

hard plastic donuts or a bonebone.

Wags & Kisses,

Pampling
