

Dear Family,

I am writing to update you on my progress in service dog training. This month, I primarily focused on learning... Deliver, Give it, Step, Put and Leash. It really is all these behaviors because my human knows im That smart.

Some other things that I am learning include... Feet, Snuggle, Nudge, i am serious my human knows that im really That smart.

I am good at... uh like everything.
I really like "get it" but my human uses this to tell me to clean up my Toys after I play with them.

I am having challenges with... Deliver. my human says he needs me to put right his Palm and i get over excited when i do it.

I have the most fun when... when i am with my human of course, but really when i am working or playing.

My favorite toy is... my Red Lobster chew Toy that Taste like Beef.

Wags & Kisses,

Dumpling
