

Dear Family,

I am writing to update you on my progress in service dog training. This month, I primarily focused on learning...well deliver. I've been really trying Turn around and see my human as fast as i can and That's why i Tend To drop in hand vs putting it right in my humans palm. so my human said we'll just keep working on it.

Some other things that I am learning include... fist bump, snuggle, put, nudge, you know i am a fast learner and just learning every thing i can to be ready To help my next human.

I am good at... alot of everything i do because im the one! only Dumpling.

I am having challenges with...well That behavior we call 'deliver'! but im gonna keep working on it until i can be the best at it.

I have the most fun when...i am Playing or Training with my human, or working with a human who wants To help me learn.

My favorite toy is...this ~~is a~~ Red Lobster and all the rest of the toys.

Wags & Kisses,

Dumpling 2025
