

Dear Family,

I am writing to update you on my progress in service dog training. This month, I primarily focused on learning... my new home for the next few months. My new Human is nice but he likes to do things slow and I'm super super fast but he said it's better to slow down so I can enjoy everything around me. So I'm working on Impulse and Focus, and Focus is like a staring contest.

Some other things that I am learning include...

I learned how to go inside the "kennel" and lay down and He or my human has taught ~~me~~ how to "sit" when he stops.

I am good at... getting my hair, nails, and ears done but I know I can be good at everything, just give me some time.

I am having challenges with... I kinda don't like being on my side or laying on my back. It's kinda a uncomfortable position for me but maybe I'll come to like it.

I have the most fun when...

EVERYONE JUST LOVES ME.

I love attention.

My favorite toy is...

The hard Rubber donuts.
