Meeting My Teachers For The First Time

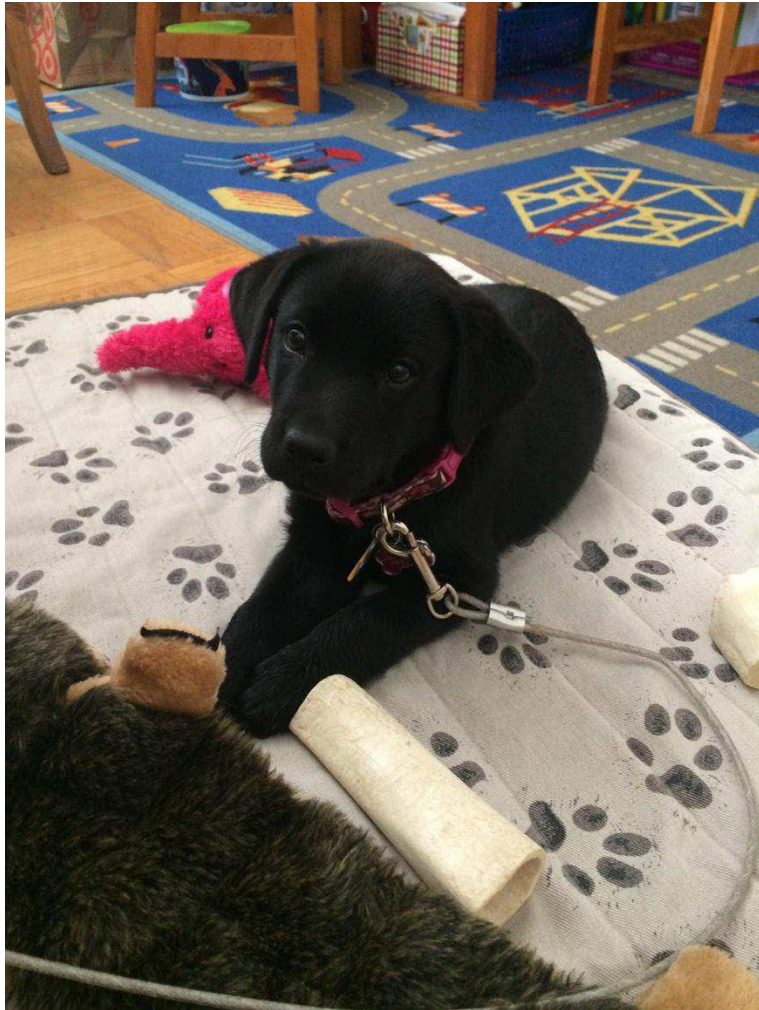

**Look Sepulveda Building
Materials, I have two body
guards! Skyler & Bailer
really look after me at all
times....**

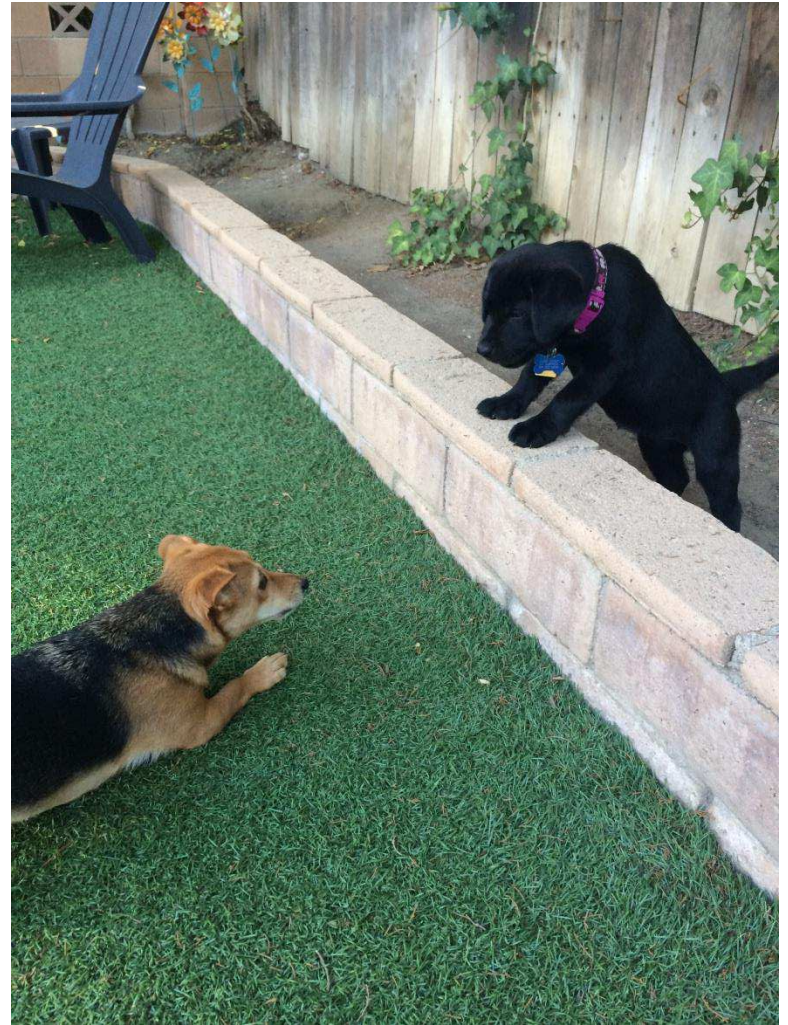

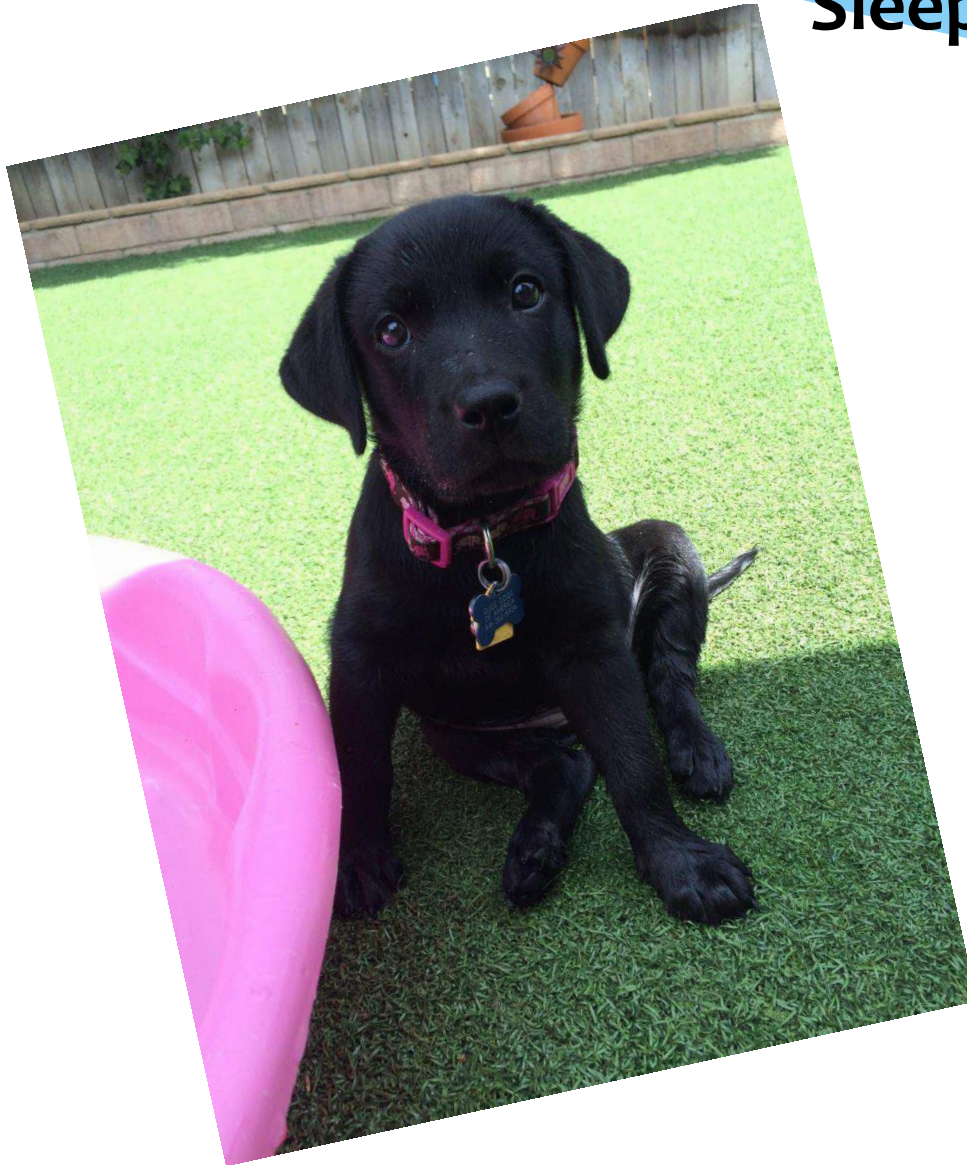

I am just really cute!

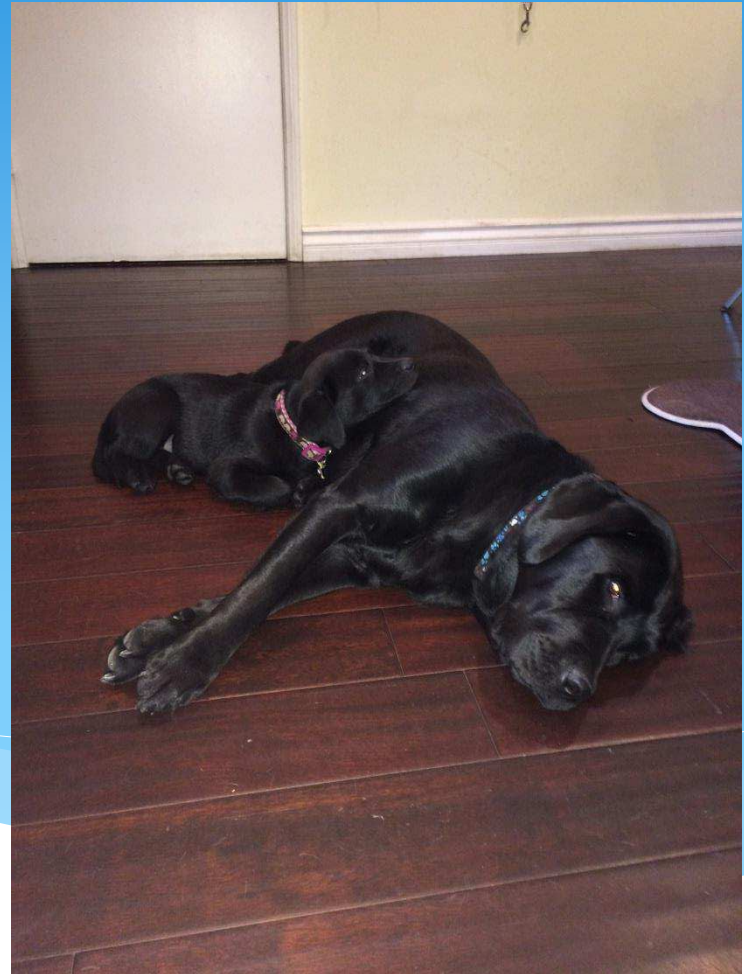

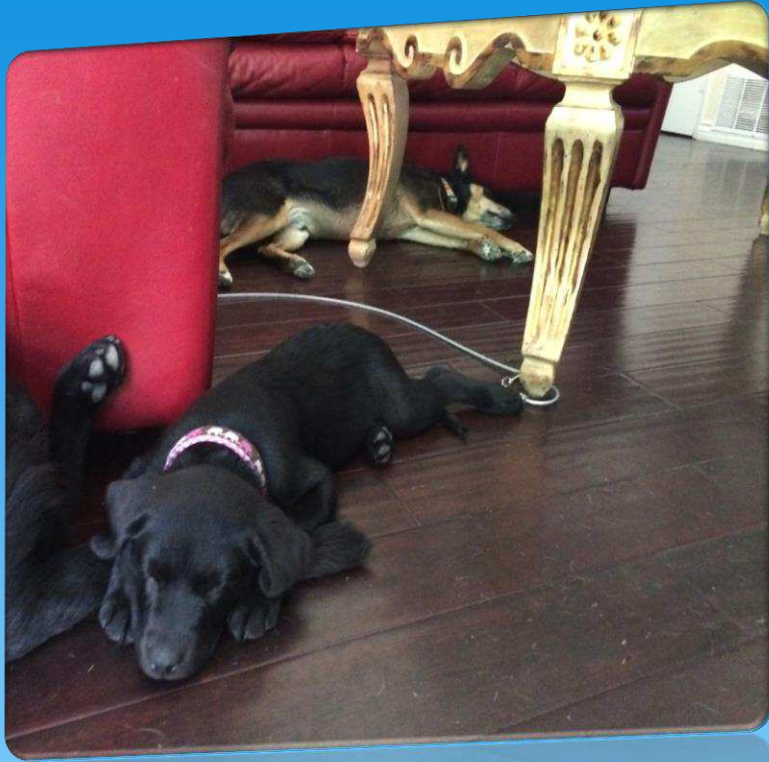

My First Puppy Sleep Over At Jessica's House. How much fun was that!

Me & My Friend Winnie, Sleep Over time....

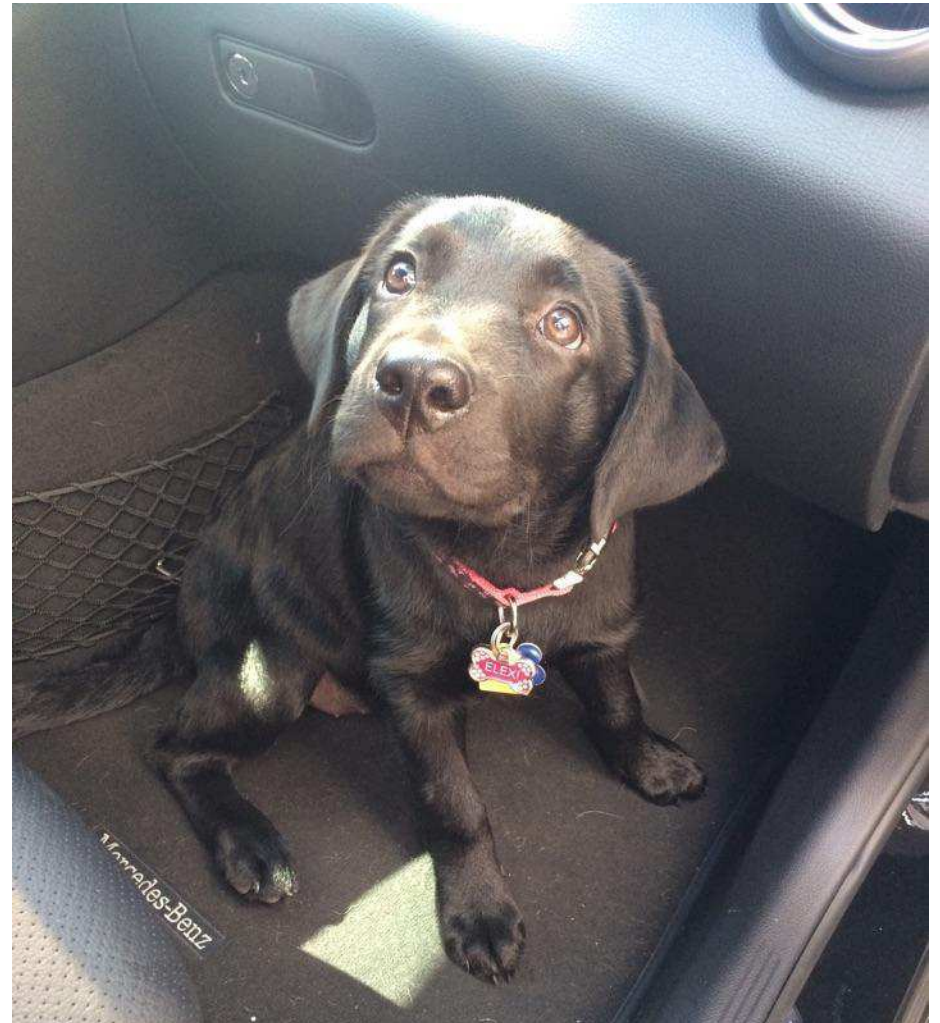

I love to nap and nap some more. Napping is my favorite past time. Skyler is really comfy!

I am now over 16 weeks and starting to
learn out and about with my puppy raiser.
This is fun!

I am really calm out in public and I don't need to be tied down in the car either. I really want to be a good girl. I am still a kid in these pictures you know.... Pretty good if you ask me!

Ok, its time to take another nap with Bailer. See you on the next report Sepulveda Building Materials. Thank you for Sponsoring me. I am working really hard for you and my puppy raiser.
