Hanging Out with My Sisters

A group of approximately 12 people and several dogs are posing for a photo in front of a building. The building features a prominent archway decorated with colorful, geometric tiles in shades of blue, yellow, and red. The people are dressed in casual attire, and some are holding leashes for the dogs. The dogs, including black and white breeds, are wearing yellow vests. The ground is paved with red bricks, and the overall scene is outdoors.

Gilligan, is that you?

Thats right, I am being really good while Dad takes our picture. Take the picture already!
