Thank you Sepulveda Building Materials.  
Thank you for your continued support to  
GDA and for sponsoring me. I would not  
be able to do what I am doing without  
you!

I can't believe I am over a year old, time  
flies by so fast.

I am learning every day and will make  
you proud.

See you in August at the 36th Annual  
Golf Gala. I can't wait to see all of you.  
Until my next update, Elexi has left the  
building....OUT
