

Dear Family,

I am writing to update you on my progress in service dog training. This month, I primarily focused on learning... to be able to perform the cue tug. meaning that I'm learning to walk up to a rope that is on a door handle and grab the rope with my mouth and pull the rope to open the door.

Some other things that I am learning include... circle, meaning that I am able to walk around my trainer from his behind, from right to left, left to right. meanwhile, I'm learning the cue post meaning I stand sideways in front of my trainer.

I am good at... Holding many different types of containers. my trainers lunch, I have strong duration to hold my items meaning I can hold a item FOR a very long time.

I am having challenges with... The fact that I still like to walk a little out front of my trainer, I have to re-correct my self back in position walking side by side with my trainer.

I have the most fun when... I perform my cue correctly & when I play.

My favorite toy is... my purple Rubber Ball.

Wags & Kisses,

miss you
