

Dear Family,

I am writing to update you on my progress in service dog training. This month, I primarily focused on learning... to learn to put items in a area that I'm told to, after I pick up or hold an item. To also deliver an item to another person. Meanwhile I'm learning to be able to perform Feet, meaning that I lay on my trainee feet while my trainee is standing or sitting.

Some other things that I am learning include... I just learned to be able to do the cue Focus, meaning that I place my chin on a chair, bench, etc while standing and not moving around.

I am good at... holding any type of item and carrying the item everywhere, then giving the item to my trainee.

I am having challenges with...

leash walking. I want to walk ahead of my trainee

I have the most fun when...

I perform my cues correctly and I'm given high praise, & when I play.

My favorite toy is...

My Purple Rubber bone.

Wags & Kisses,

I miss you

Love Elmer
