

Dear Family,

I am writing to update you on my progress in service dog training. This month, I primarily focused on learning... the cue put, meaning that I take a item from my trainer & place the item on a table.

I need to learn to Nudge, learn to wave my paw, learn to bow, & to be able to fist bump with my nose on someones fist.

After that, the last thing will be hug.
Some other things that I am learning include...

the cue close, meaning I stand between my trainer's legs, is now called between. I'm learning to understand the new name is now called between.

I am good at...

Holding items, performing the cue under, meaning I can go under a chair, table, etc. Also I'm good at performing the cue tug, meaning I can open & close doors, pulling on a rope that is attached to the door.

I am having challenges with...

(the cue put, meaning I can put items on a chair, table, etc, but with a trashcan I have minor difficulties.

I have the most fun when... I perform my cues correctly, & when I get the chance to play.

My favorite toy is... my Purple Rubber cross bone.

Wags & Kisses,

I miss you,
Love Elmer
