On this Christmas tree is my ornament with four pictures of me. GDA keeps these ornaments and decorates the buildings with the past ornaments. Judi has fun finding puppy ornaments she has raised in the past.

Waiting for Santa Claus

The line was long to see Santa but it was good training. Here I am telling Santa how good I have been all year long and what I want for Christmas.

Fina is going to get all the gifts on her list.

Felix and Fina, siblings.

BEAUTIFUL

Fina is almost as long as Teddy.

**May all of you have a
Prosperous New Year.**
