

# GRIZZLY COMES HOME

# A LITTLE PUPPY IN A BIG NEW WORLD

This is my  
new back  
yard. Lots  
to explore.

Hello Everybody,  
Thank you to Sepulveda  
Building Materials Charity  
Golf Tournament for  
sponsoring me! I hope to  
make you smile, and maybe  
even be proud!

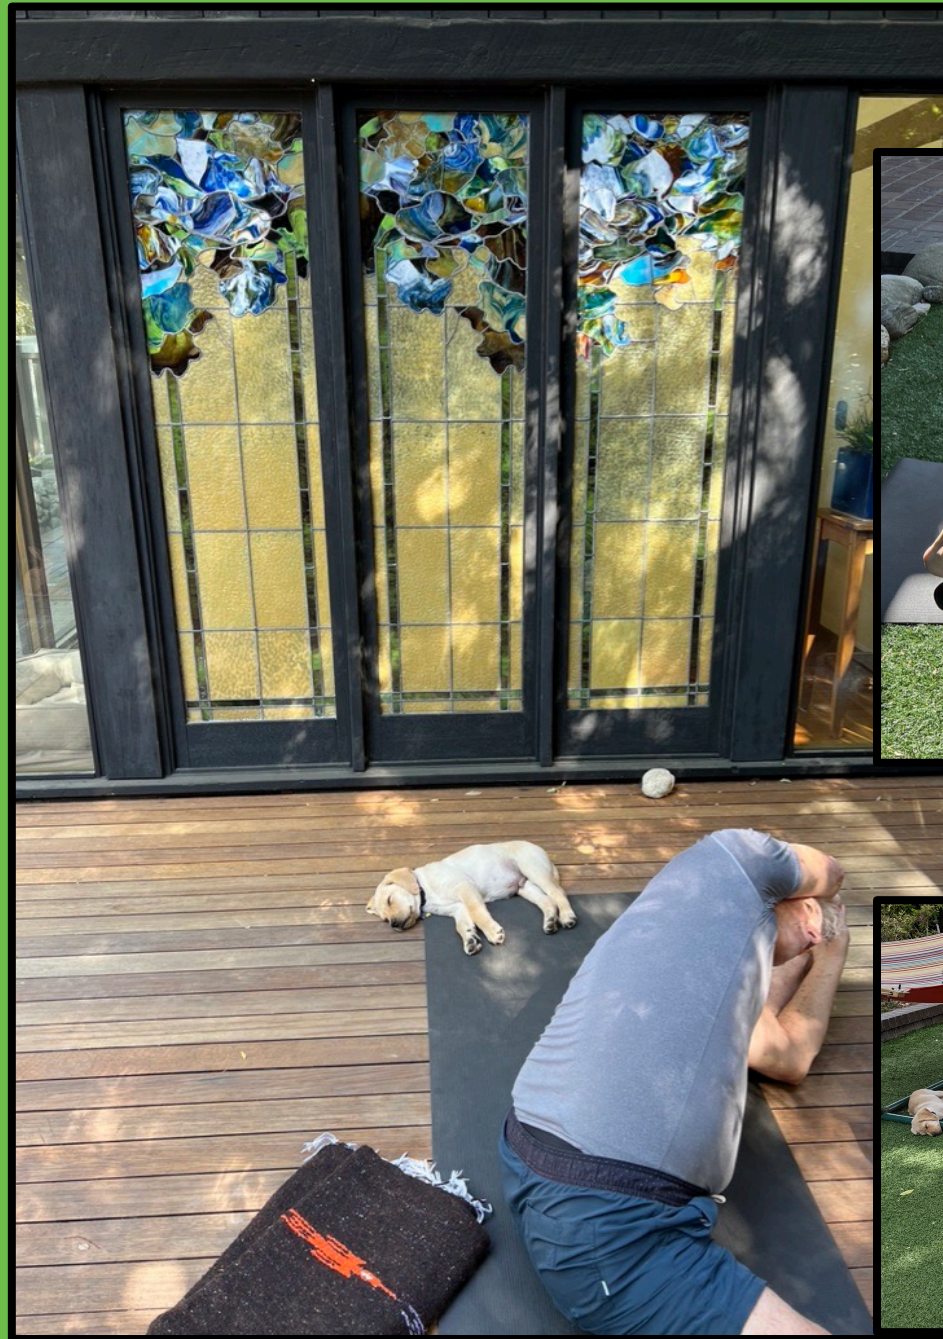

**LIKE MOST  
PUPPIES, I EAT,  
SLEEP AND PLAY.**

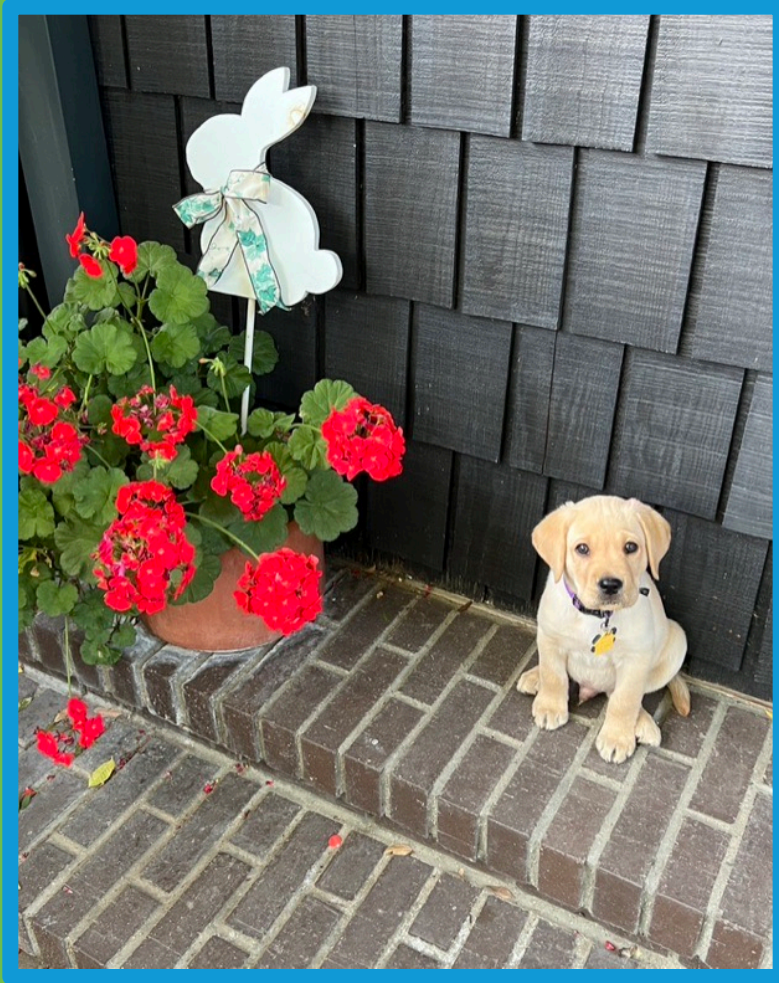

Sometimes,  
sleeping and  
playing happen  
almost  
simultaneously.

My people like to  
do yoga and I am  
learning that I can  
play that game, and  
snooze at the same  
time.

# PLAYING WITH THE BIG DOG

Samson is another Puppy-in-Training. He is almost ready to go in for formal training. In the meantime, he is my mentor and best friend.

I'm learning so much and having so much fun as a Puppy-in-Training.  
It's a lot to process!

Sometimes, I just need to hide under a table and take a nap.

I couldn't do it without the help and support you, and others, give to  
Guide Dogs of America and Tender Loving Canines.

Thank  
You!

Love,  
Grizzley
