

# GRIZZLY GROWS UP

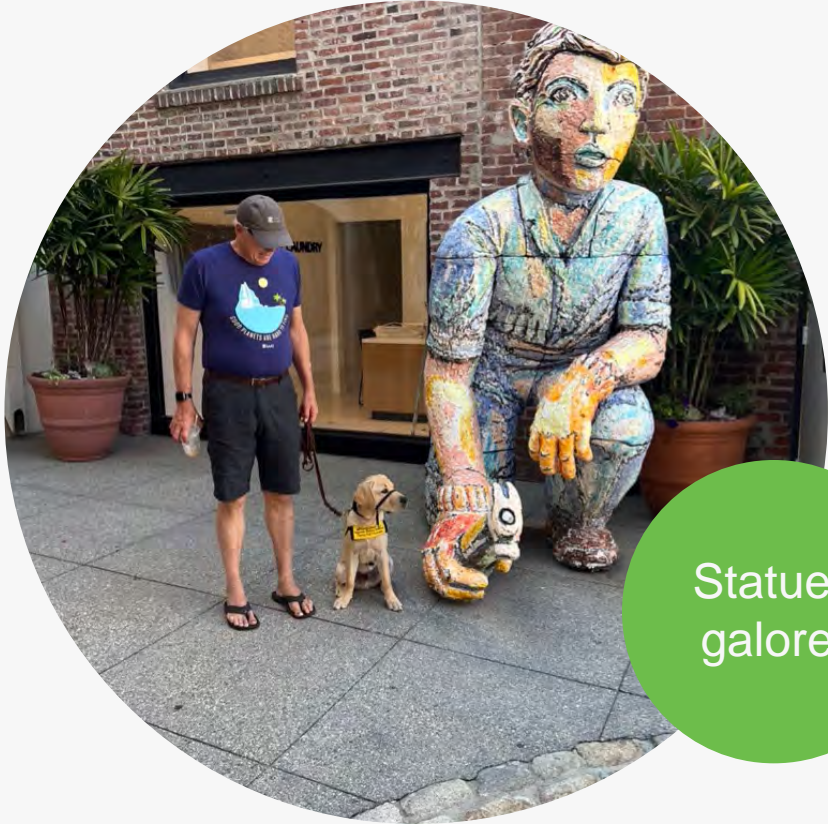

Hello Sponsors,  
As you will see, I'm growing up!  
Every day, I stretch a little bit  
more: my legs are longer and so is  
my attention span! I get to have  
daily adventures and discover new  
places. Thank you so much,  
Sepulveda Building Materials  
Charity Golf Tournament, for your  
support of Guide Dogs of America  
and Tender Loving Canines. Your  
support makes this possible.

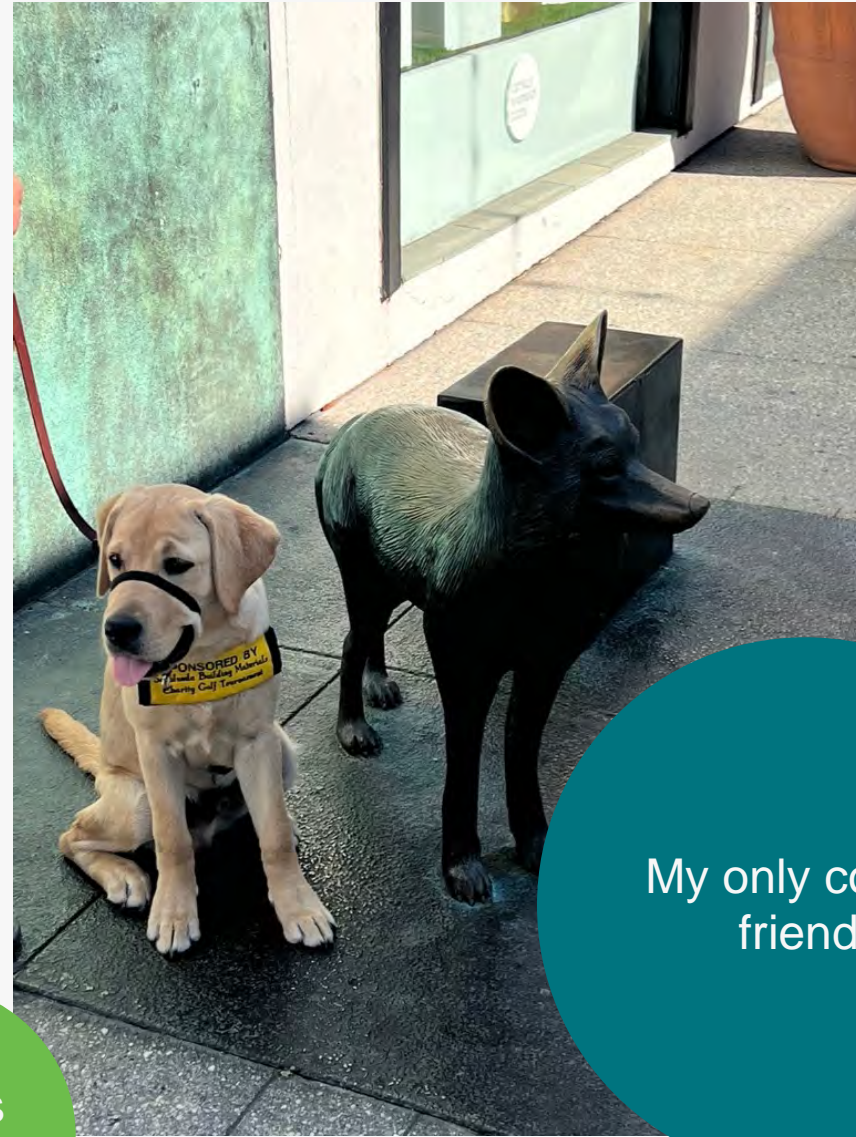

# PUPPY OUTINGS CONTINUE

One of my favorite places to visit with my fellow GDA/TLC puppies is Old Town Pasadena.

Statues  
galore.

My only coyote  
friend.

# I GRADUATED FROM MY FIRST OBEDIENCE CLASS.

I enjoy being with the other dogs and I always enjoy learning new things and then showing off what I have learned.

# I STILL TAKE WALKS AROUND MY NEIGHBORHOOD

# I WENT TO THE HOLLYWOOD BOWL.

The music was lovely, but the treats and greetings from other music fans were the highlights for me!

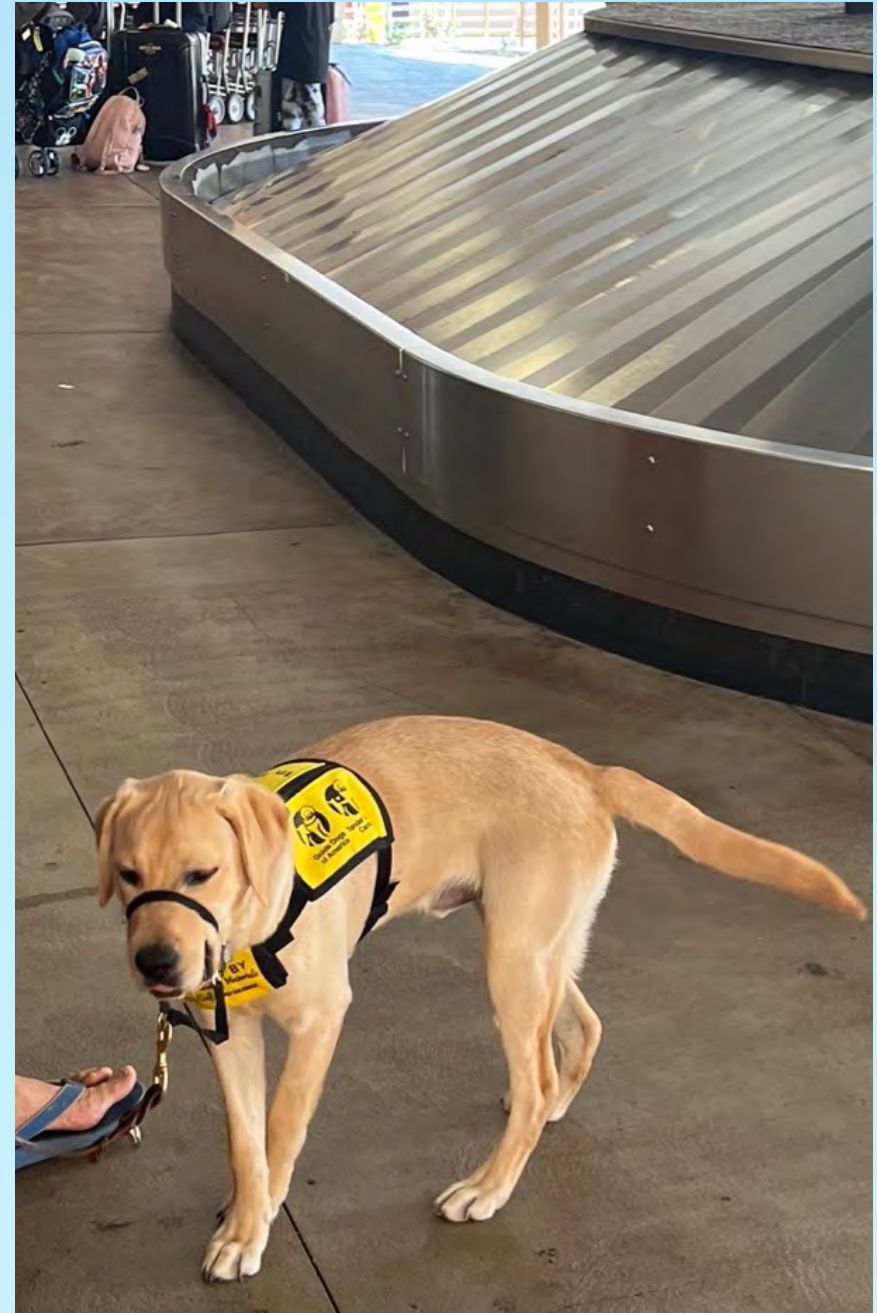

# BURBANK AIRPORT

Although I can't fly yet, I still got to go to the airport to welcome a visitor.

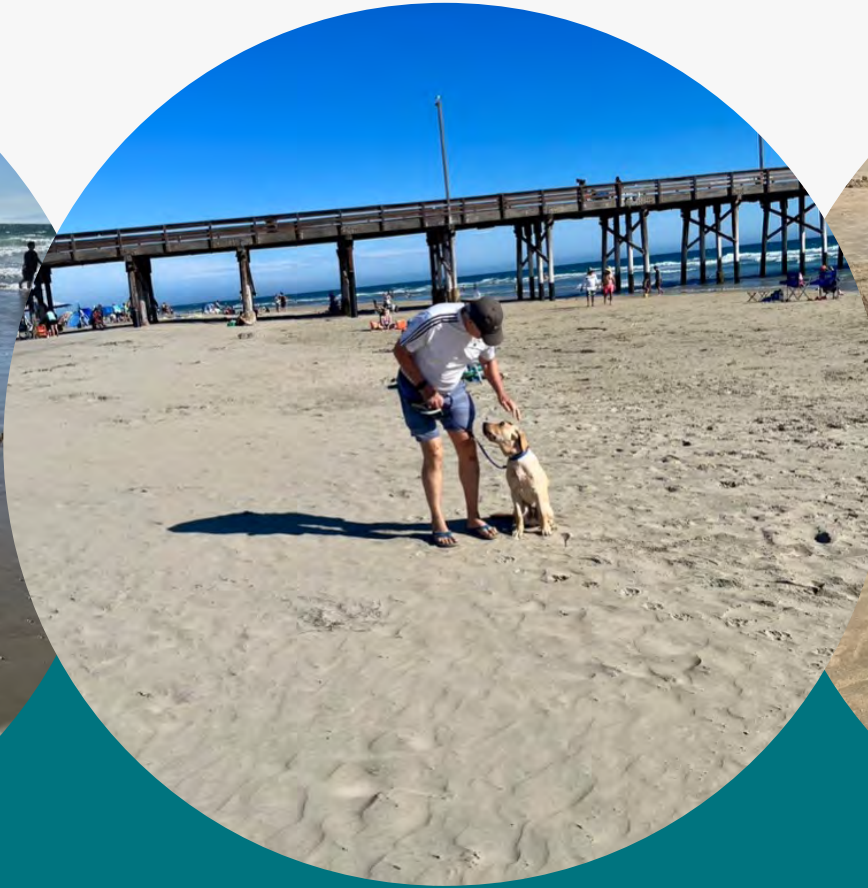

**SOMETIMES OTHER  
GDA/TLC PUPS STAY  
AT MY HOUSE  
OVERNIGHT. WE  
PLAY AND SNUGGLE  
AND SLEEP!**

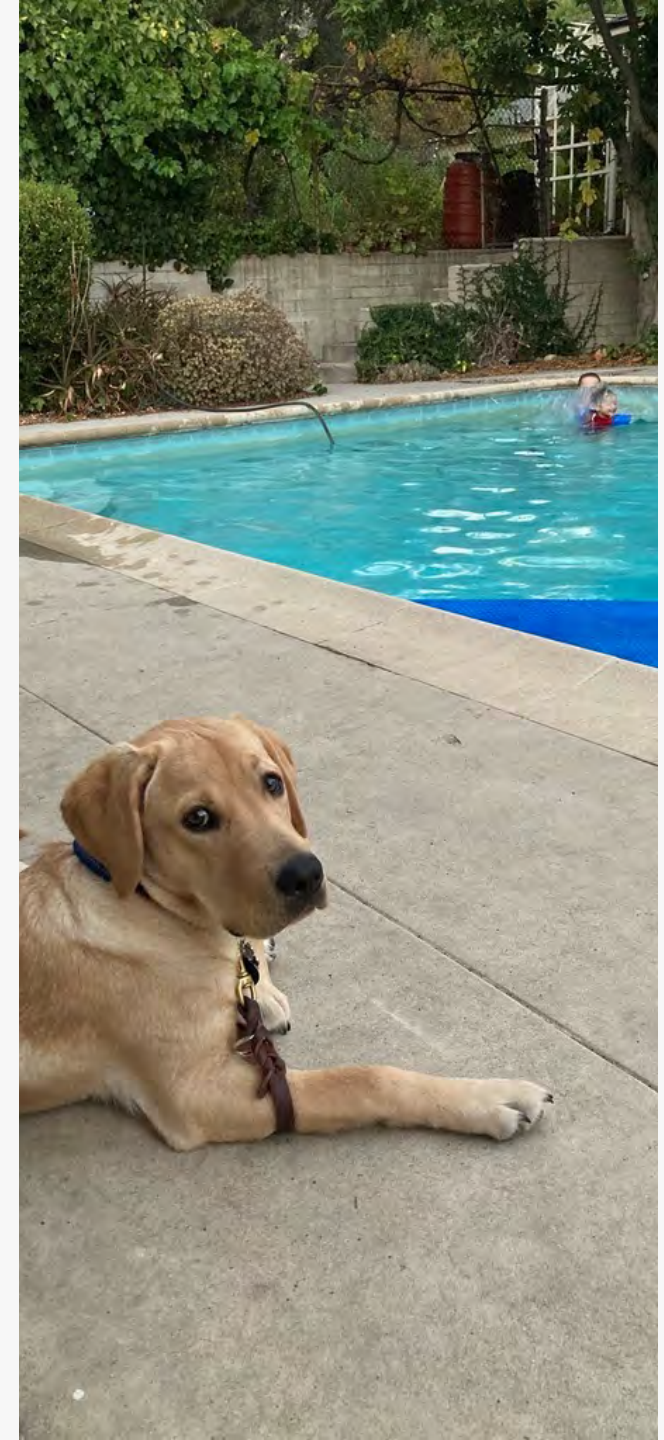

# THE BEACH IS WONDERFUL!

# I SPENT TIME WITH OTHER PUPPY-RAISER FAMILIES.

At one home, I  
discovered my new  
favorite toys. At  
another, I watched  
the grandkids play in  
the pool.

MOST DAYS I  
JUST GO ALONG  
WITH MY  
PEOPLE. I'M  
PRETTY GOOD  
AT TAGGING  
ALONG.

I settle down, as  
long as there is  
enough room for  
me to stretch my  
long legs!

# I'M TAKING ANOTHER OBEDIENCE CLASS JUST FOR FUN.

Look at how well I obey the "leave it" command when the yummy garlic bread I'm supposed to leave is on top of my paw!

# I WAS BLESSED AT THE FEAST OF ST. FRANCIS

As you can see, I am learning  
and growing every day. I  
couldn't do it without you!  
Thanks again for your generous  
support of GDA-TLC.

*Thank you!*

*Love,*

*Grizzley*
