

**GRIZZLY
CELEBRATES!**

Hello Sponsors,
Happy New Year! Thank you
so much for sponsoring me.
These past few months have
been filled with new
experiences and
celebrations.
Let me show
you!

I returned
to Idaho
for an
autumn
visit.

I visited a local
middle school and
made lots of new
friends.

OBEDIENCE CLASS

I successfully completed another obedience class. This time I had to demonstrate restraint around other dogs, and attention to my handler.

OUTINGS WITH OTHER GDA/TLC PUPPIES

I always enjoy outings with other puppies and puppy raisers. This time, we switched handlers. I did very well. I also practiced the “close” command.

IDAHO

Idaho, in the autumn, is colorful and cold! I had so much fun. There weren't as many wild animals as there were in the summer, but I did encounter a few chipmunks who were getting ready for winter.

MORE NEW EXPERIENCES IN IDAHO

I helped to build a stair railing at the cabin. I went to more restaurants. And I went to my first Lacrosse game. (I didn't chase the ball!)

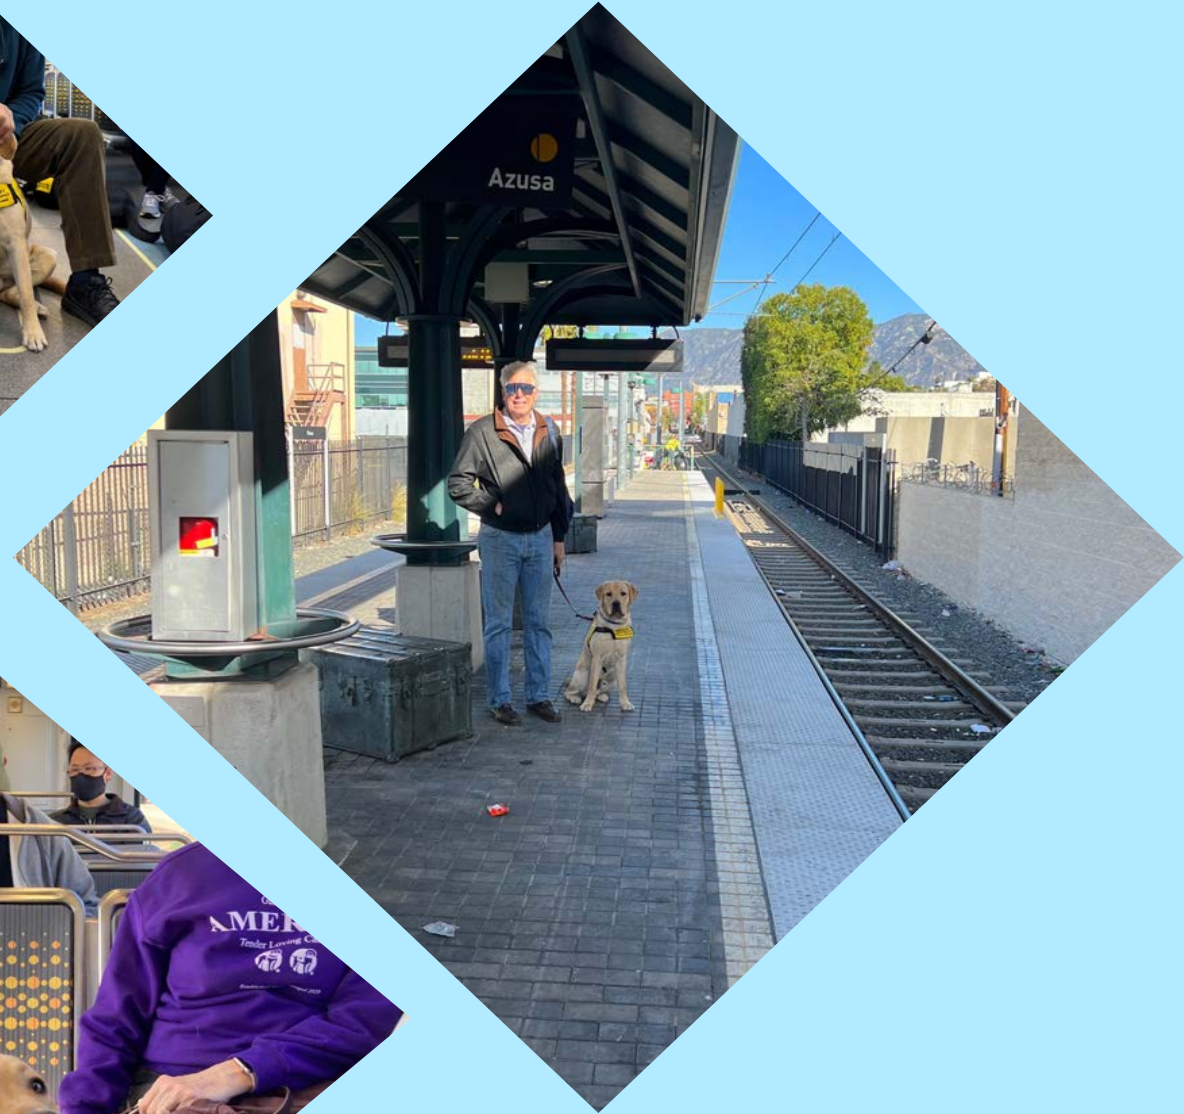

More fun
than
frightening!
So many
decorations
everywhere
you go.

HALLOWEEN!

TAKING THE TRAIN

We rode the Metro train from
South Pasadena to Pasadena.

VISITS TO GDA/TLC

I returned to campus to lead a tour for grade school students, and again to participate in a demonstration class for the reaccreditation of the facility. It was fun to show what I've learned.

THANKSGIVING!

My new best friend, Orry, visited me the week of Thanksgiving.

I am so thankful for friends, romps, naps and the people who are helping me become a working dog, including my sponsors!

FALL FESTIVITIES

I went to my first tailgate party at the Rose Bowl. So many delicious smells and so many footballs flying through the air! I resisted all the temptations.

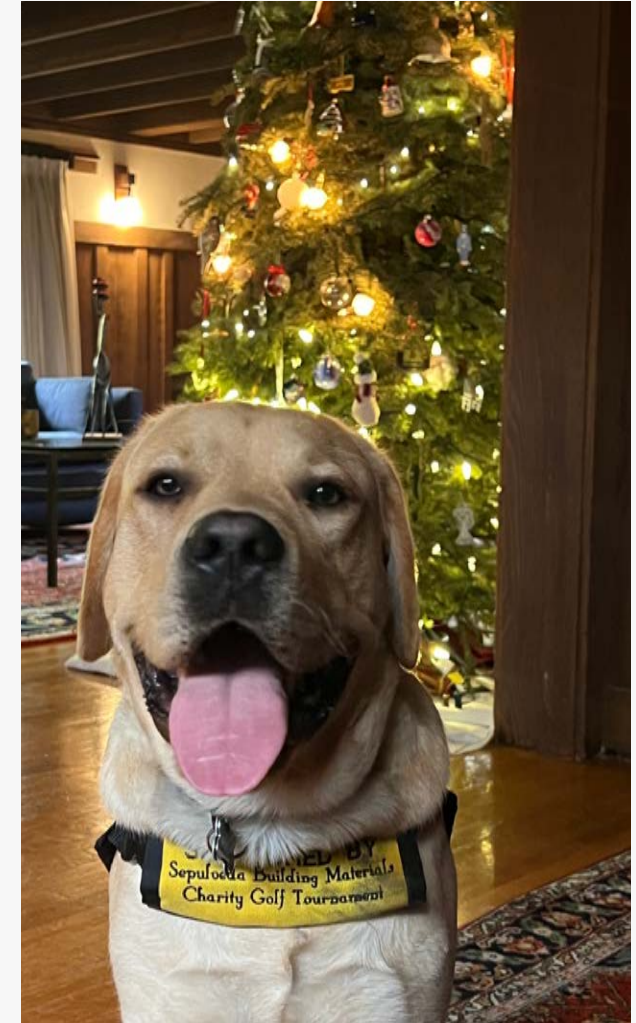

I also think my name is “handsome” because that’s what everyone I met called me.

MERRY CHRISTMAS!

So many decorations. So much preparation. So many treats for good behavior!

Celebrate!

HAPPY NEW YEAR!

I saw some of the floats for the Rose Parade. Very fragrant. Beautiful flowers. So many people!

Welcome to 2023!

This could be a big year for me. If all goes well, I'll go in for formal training, meet a new partner and start a new career.

I'd better rest up!

Thank you so much to Sepulveda Building Supply Charity Golf Tournament for helping to make it possible.

Thank
you!

Love,
Grizzley
