

GRIZZLY'S FAN CLUB

HELLO SPONSORS, HAPPY SPRING!

Thank you so much for your continuing sponsorship and support of Guide Dogs of America and Tender Loving Canines. As you will see, I am continuing to grow and learn. I have made so many new friends, I feel like I have a fan club. Of course, the Sepulveda Building Materials Charity Golf Tournament is the charter member of my fan club!

Is this
a good
photo for
a fan
club?

I have human
fans, puppy
fans and even
some inanimate
object fans
such as the
bunny on the
cover.

ONE OF MY NEWEST FANS IS A GUIDE DOG NAMED SERENITY

Serenity is the first GDA puppy that my puppy-raisers raised. Her partner had to go to Hawaii and Serenity couldn't go along, so she came to stay with us. We were like a brother and sister within a few hours. I even let her have my bed.

Some of my other fans are the puppies and puppy-raisers from our area group. We still get together every month and explore some part of Pasadena or Glendale. Everyone always seems happy to see me, even the giant man with a hammer at the Paseo in Pasadena.

OFTEN, WE
SWAP PUPPY
RAISERS AND I
ALWAYS DO
VERY WELL
WITH A
DIFFERENT
HANDLER.

OTHER PUPPIES ARE AMONG MY BIGGEST FANS!

Here I am with Leila. I stayed with her and her puppy raiser for a few days while my people were traveling. She shared her toys with me. She plays a mean game of tug!

ARCHIE IS MY LITTLEST GDA/TLC PUPPY FAN.

Archie is only 5 months old. I taught him a lot when he stayed with us. It was fun to have a youngster in the yard.

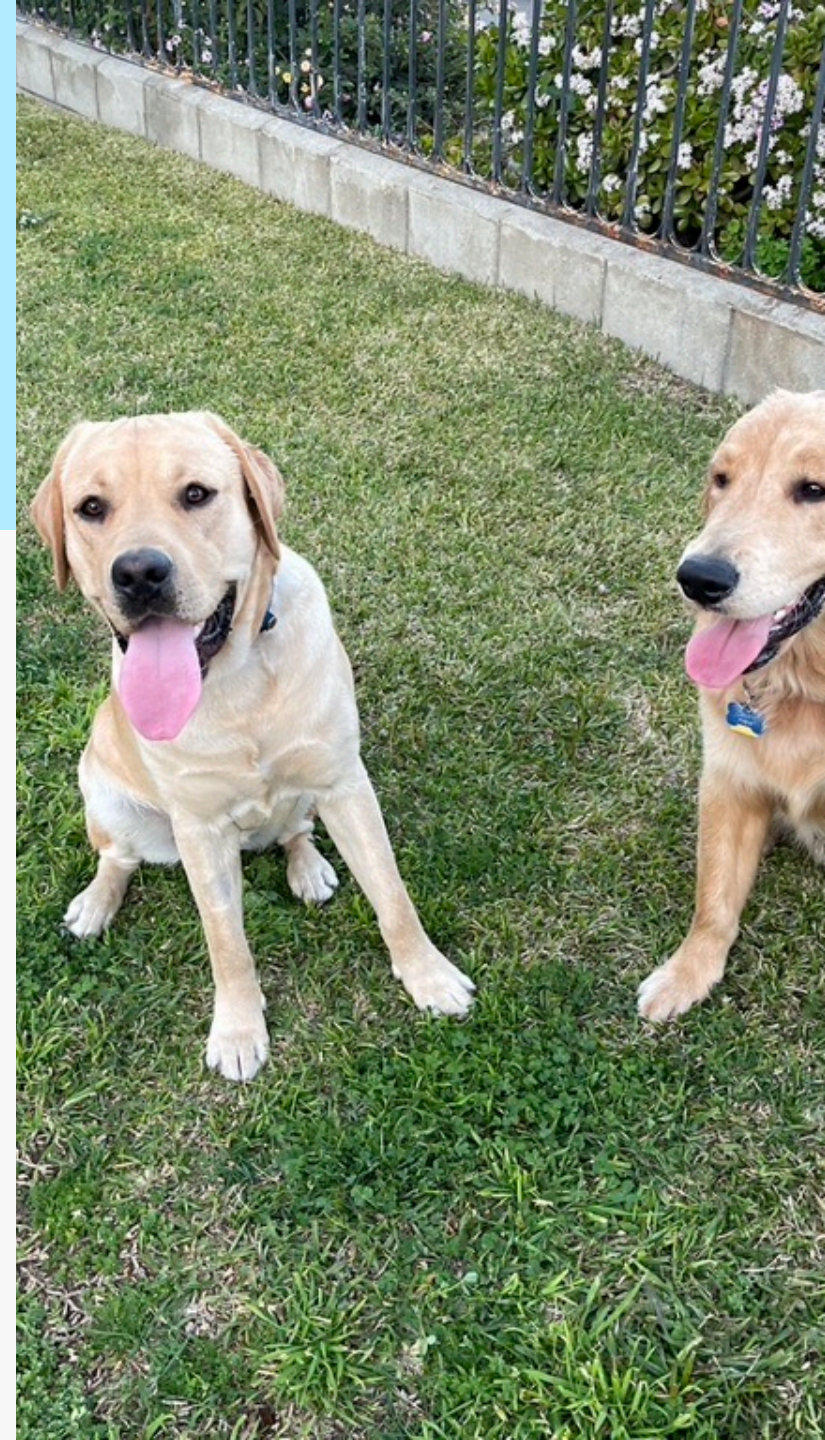

ORRY IS PROBABLY MY FAVORITE FAN.

I stayed with Orry while my puppy-raisers were away and later, he stayed with me.

MORE ORRY TIME!

FAN CLUB ON THE ROAD

Among my fans are merchants and restaurants in Pasadena that I visit frequently. I am always welcomed.

NEW PEOPLE FANS

One of the career options open to me is to be a service dog. I'm not yet sure what that means, but if it involves serving people by calming them, loving them and helping them perform tasks, I think I can do that! Among my new fans are my puppy-raisers' CPA and his staff. We visited them and I was told that I was the best part of tax season, whatever that is.

MORE NEW PEOPLE FANS

I was invited to an event at GDA/TLC to meet with a philanthropic organization that is thinking about sponsoring puppies, just like you do. I think I convinced them we are a worthy organization!

Thank you Sepulveda
Building Materials
Charity Golf
Tournament for being
my sponsor and a
supporter of GDA/TLC.
Thank you, too, for
being a part of my fan
club.

Love,

Grizzly

Thank you!
