

December 29, 2024

Thank you Sepulveda Building Materials for making every day a Holiday!  
We so appreciate your support of Guide Dogs of America and of Ida. We hope  
your Holidays were magical!

Ida loved all the Holiday magic.

She met Santa at the Guide Dogs of America Orange County Christmas party and went to other holiday celebrations in the OC.

Ida had Thanksgiving with 31 family members. Despite all the people and all the food, including 3 turkeys, Ida was the perfect hostess.

**Halloween was very exciting with the constant ring of the doorbells and all the costumes.**

**Ida found time for her other activities as well. She continued her role as a USC Men's Water Polo team super fan.**

She loved the MPFS Tournament win over UCLA at UCLA

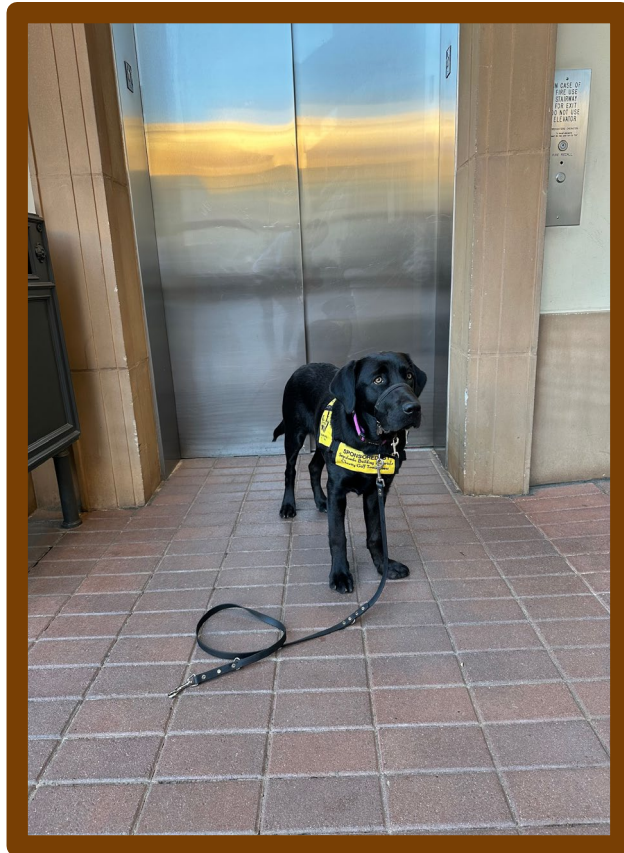

and the 2nd place NCAA finish.

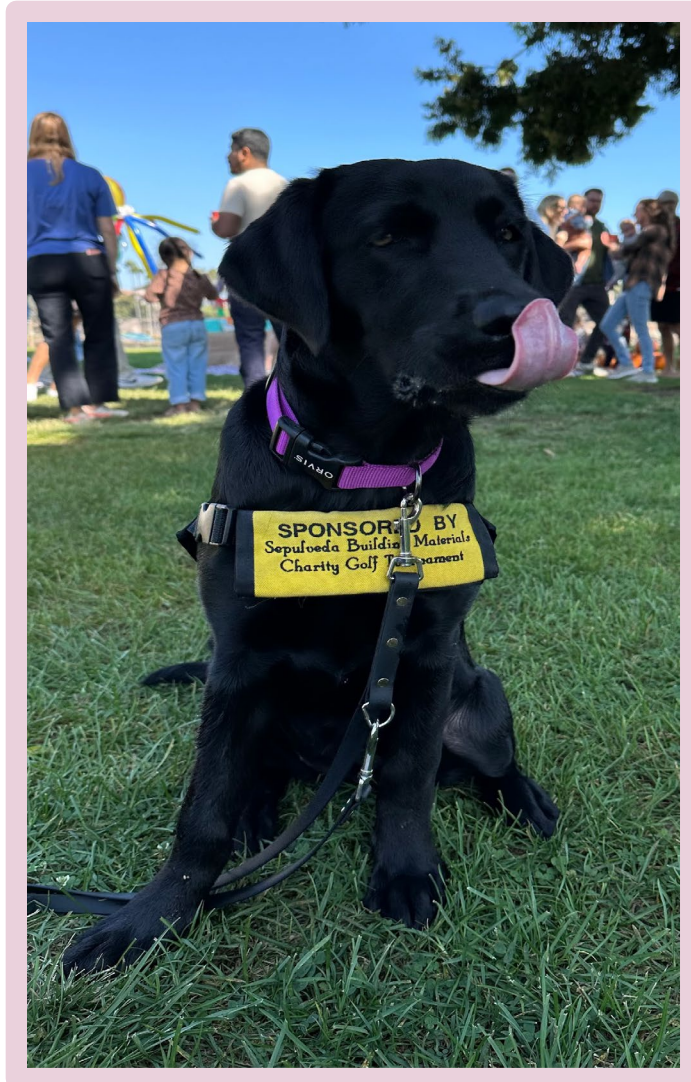

**Ida continued her training.**

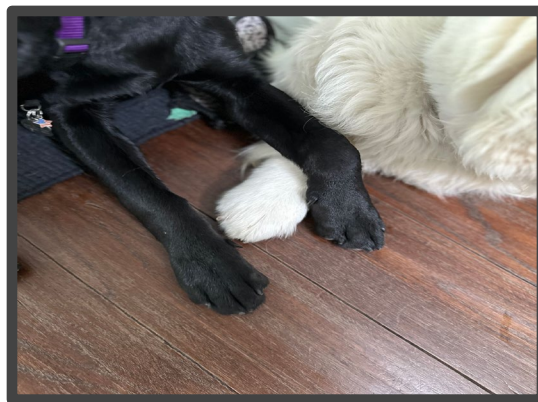

**Ida had many “firsts.” She took her first elevator ride. Did great!**

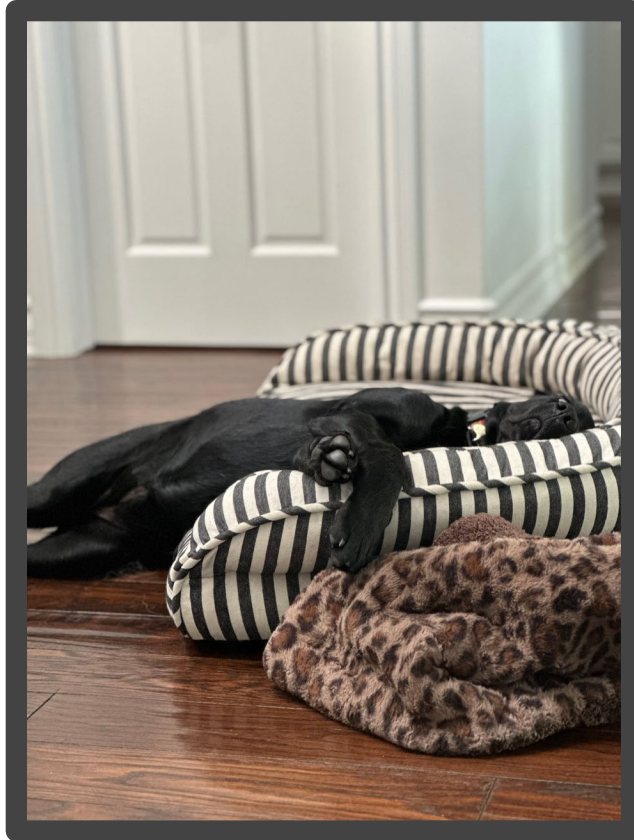

**Ida had a busy few months!**

**She attended her first Doctor visit. She went  
to her first birthday party.**

**She even had her first bath - with a friend.**

**We all wish Sepulveda Building  
Materials and its team a New Year  
filled with success and happiness.  
Cheers to 2025!**
