January 2021 Report

Since I've last written, I have gone on a trip and I've outgrown my puppy jacket! Can you see how snug it is?

Descanso Gardens is my favorite place to visit. There are so many smells. I have lots of fun and get lots and lots of kibble.

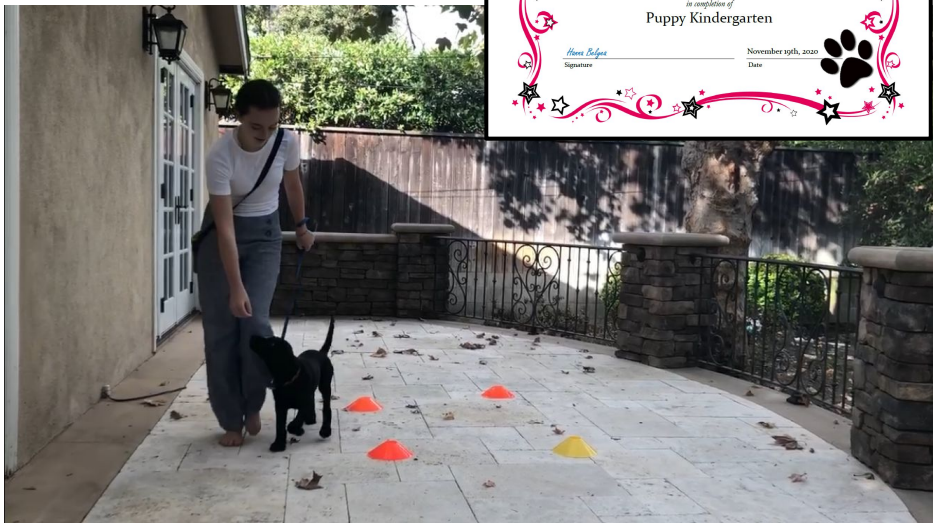

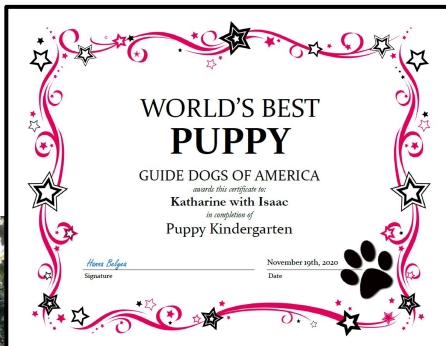

I also meet lots of nice people :)

I GRADUATED!!

I finished my  
6-week puppy  
kindergarten class.

I went to Olberz  
Park for the  
announcement of  
the Miss La Canada  
Flintridge Royal  
Court. My person  
made it!!

I went with my family to a crazy new area over the Rose Bowl Stadium with so many new smells where a nice woman with a camera took my picture.

I was carried the whole time because I didn't have all my shots, but that didn't stop me from being the photographer's favorite subject. Look at how cute I am!!!
