

The background of the entire page is a dark blue gradient with a subtle pattern of white dots, resembling a starry night sky. On the left side, there are several faint, white, circular and semi-circular patterns. One prominent pattern is a large circle with a scale around its perimeter, marked with numbers from 150 to 260 in increments of 10. Other smaller circles and arcs are scattered around, some with arrows indicating a direction of movement or rotation.

THANK YOU, SEPULVEDA BUILDING MATERIALS!

Jenny is now five months old. She is doing very well with her training. She spends three days a week at Loyola Marymount University and goes to work with us every day. She knows sit, down, stand, stay, come, and heels beautifully next to us. Over the next few months she will visit more crowded areas and polish up her obedience skills.
