

The background is a solid blue color with a subtle gradient. Scattered across the top and bottom edges are several realistic water droplets of various sizes, each with a highlight and a shadow, giving them a three-dimensional appearance.

OFF TO HER KENNEL

GOODBYE, JENNY!

On October 27th we said goodbye to our very special little girl. We spent 484 days bonding with her, loving her, and walking with her at our side, but now it is time for her to finish her training and give someone the confidence and independence they need. This will be the last quarterly report for Jenny, but we can't thank you enough for your support over the last 16 months. We know she will make us all proud!

The End.
