

Dear Family,

I am writing to update you on my progress in service dog training. This month, I primarily focused on learning...

(Come), (Snuggle), (Side), and (Heel) behaviors are my primary cues that Judo is learning.

Some other things that I am learning include...

(Back-up,) and (Hold) behaviors are two other things that Judo is learning. Needs to hold objects in mouth without chewing on it.
* Desensitizing to boots: Judo needs to be willing and comfortable putting on I am good at... and wearing all four booties.

(Under) behavior is a good cue Judo is fluent. Judo goes under an object, lies down, and settles until released.

I am still struggling with...

Taking kibble gently.

Mounting other dogs during play session.

I have the most fun when...

Attending (UCI) college courses. Getting educated, and Free kibble. Playing with primary handler and other canine friends.

My favorite toy is...

(Benebone) is my favorite toy on the bed.
(Purple Triangle Kong) toy is another favorite toy during play session.
Wags & Kisses.
