

# GOOD KARMA!

Volume 2

## SEASON OF GRATITUDE

What a wonderful time of year! The holidays: from Halloween to New Year's Day--with Thanksgiving Day in the middle! Karma has certainly enjoyed it all, as you will see!

Thank you to all who have made the mission of GDA/TLC possible. *A special thanks to Sawtelle Building Supply Charity Golf Tournament for your sponsorship of Karma and your ongoing support of GDA/TLC.* Thanks to your generous and abiding contributions, more people—and puppies—are filled with gratitude.

# HALLOWEEN

Karma  
meets the  
kitty. How  
scary is that?

# PUPPY KINDERGARTEN

Karma passed GDA/TLC Puppy Kindergarten with flying colors! The other student was Xenon, a golden retriever. They learned well together and played together but only after class was over.

# HOLIDAY VISITS

# ROAD TRIP!

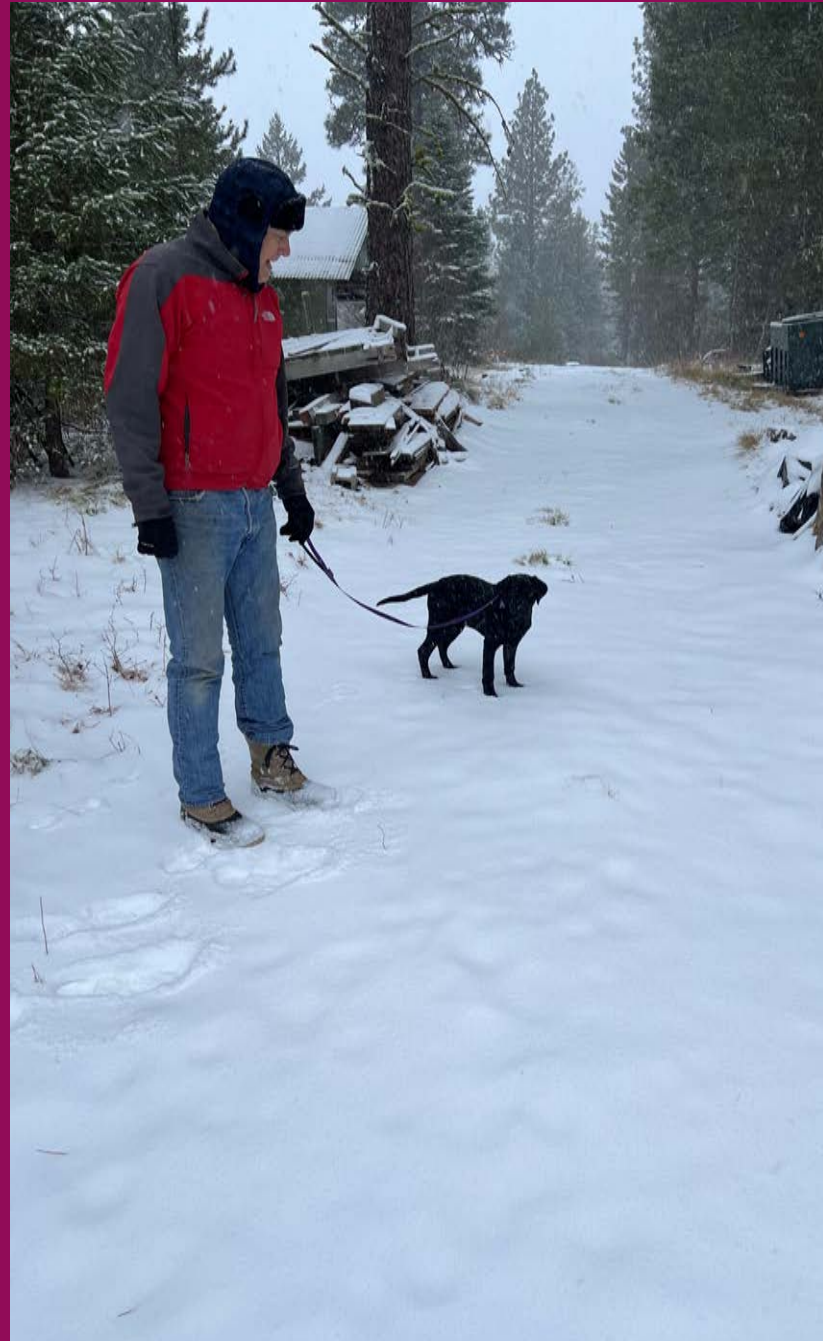

As soon as she was old enough, Karma took her first road trip to Idaho. She was great in the car, and in hotels and restaurants.

# SNOW!

Karma  
encountered  
snow for the  
first time in  
Idaho. She  
loved it.
