PUPPY GO HOME DAY

- We picked Lady up on 11/7/24
- Lady was born 9/14/24
- Lady was 8lbs on this day

FIRST BATH

- Lady immediately got messy and needed a bath – in the sink!

FIRST TIME IN JACKET

- Here is Lady trying on her jacket for the first time – it was falling off her tiny little body!

SETTLING IN

- Lady settled into her new home very well and loved to cuddle with the stuffie GDA sent her home with 😊

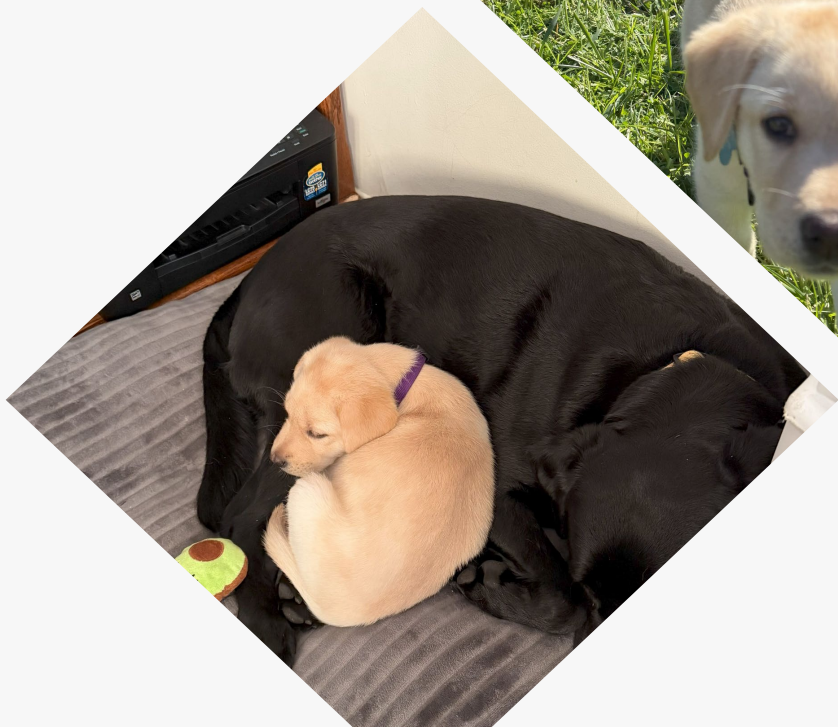

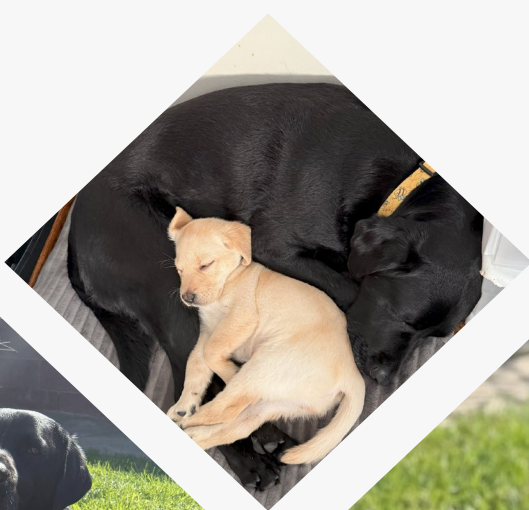

“AIR JAIL”

- We jokingly call this move “air jail”. It’s used as a time out when the puppy is doing an unwanted behavior and they need to be removed from the distraction (in this instance, a very tasty leaf)

FUN WITH ARTHUR

- Lady got to spend some quality time playing and napping with her friend Arthur, a career-changed (CC) dog from GDA

From left to right – George (CC), Arthur (CC), Esther (PIT), Lady (PIT), Rally (CC), Orbit (CC), Emery (PIT)

IT'S A PUPPY PARTY!!!

- Lady spent Thanksgiving with lots of friends – puppies in training (PIT) and career-changes (CC)

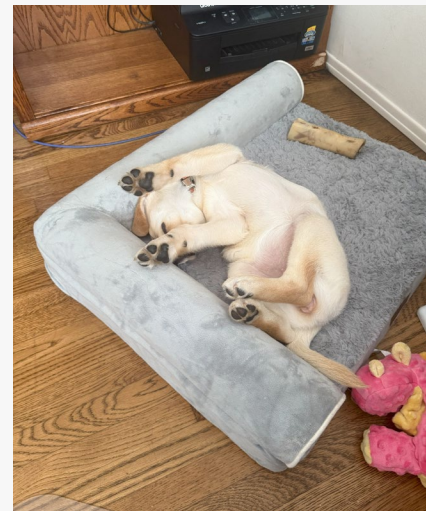

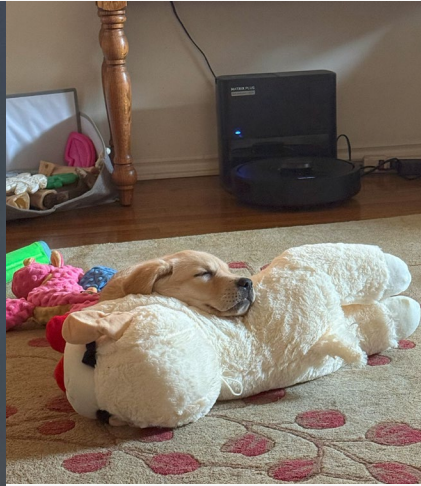

SETTLING DURING THE HOLIDAYS

- Here Lady is shown working on settling in her crate and on tie down. She did extremely well during the very busy holidays – with lots of people, dogs, and food distractions.

CUTENESS OVERLOAD!!!

- Here's Lady in various cute positions around the house – even when she might be getting in a little bit of trouble hiding under the desk

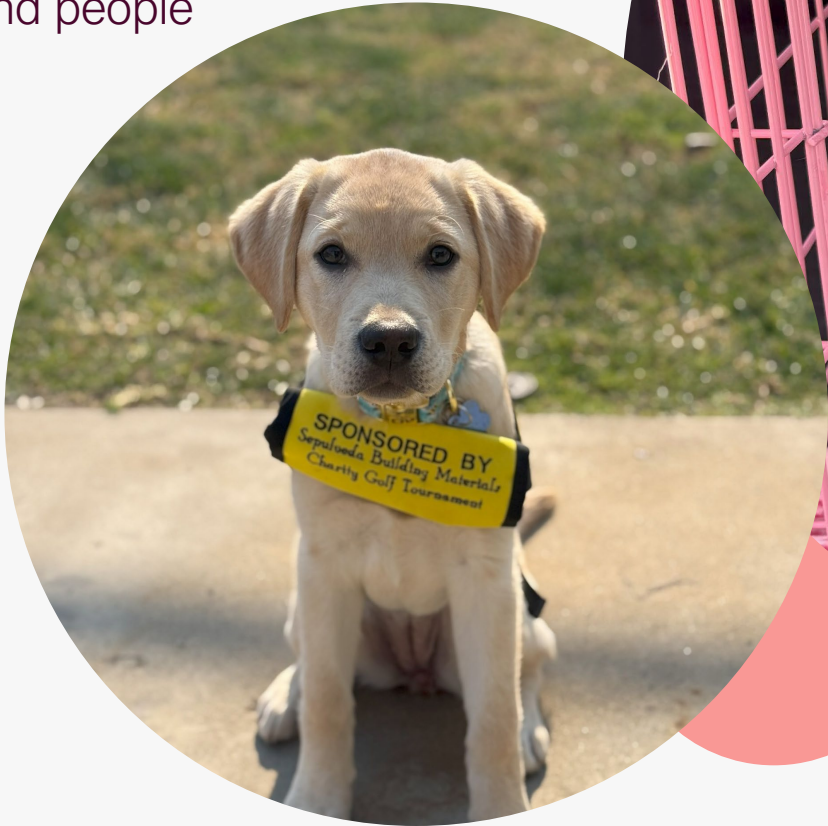

LEARNING TO POSE FOR PICTURES

- We think Lady is starting to get very good at posing for pictures!

“STREET LEGAL”

- Lady recently received her last round of puppy vaccines, which means she is now ready to go out to all public places – she is “street legal”. We can start taking her out to as many public places as possible to socialize her and get her used to all sorts of different environments and people

KINDERGARTEN GRADUATION

- Lady graduated from Puppy Kindergarten! Yay!!!
- Puppy K is an 8 week class once a week where they learn basic commands such as:
 - Position changes: sit, down, stand
 - Recall (“come!”)
 - “Close” (puppy sitting or laying between legs when person is sitting or standing)
 - “Stay”
 - Greeting people
 - “Heel” (a position right next to handler, puppy shoulders even with handler’s knee)
 - “Let’s Go!” (command to walk forward with the handler)
 - And more!
