

LADY

THANK YOU SEPULVEDA BUILDING MATERIALS CHARITY GOLF TOURNAMENT!!!

April 2025 Pupdate

# FIRST OUTINGS

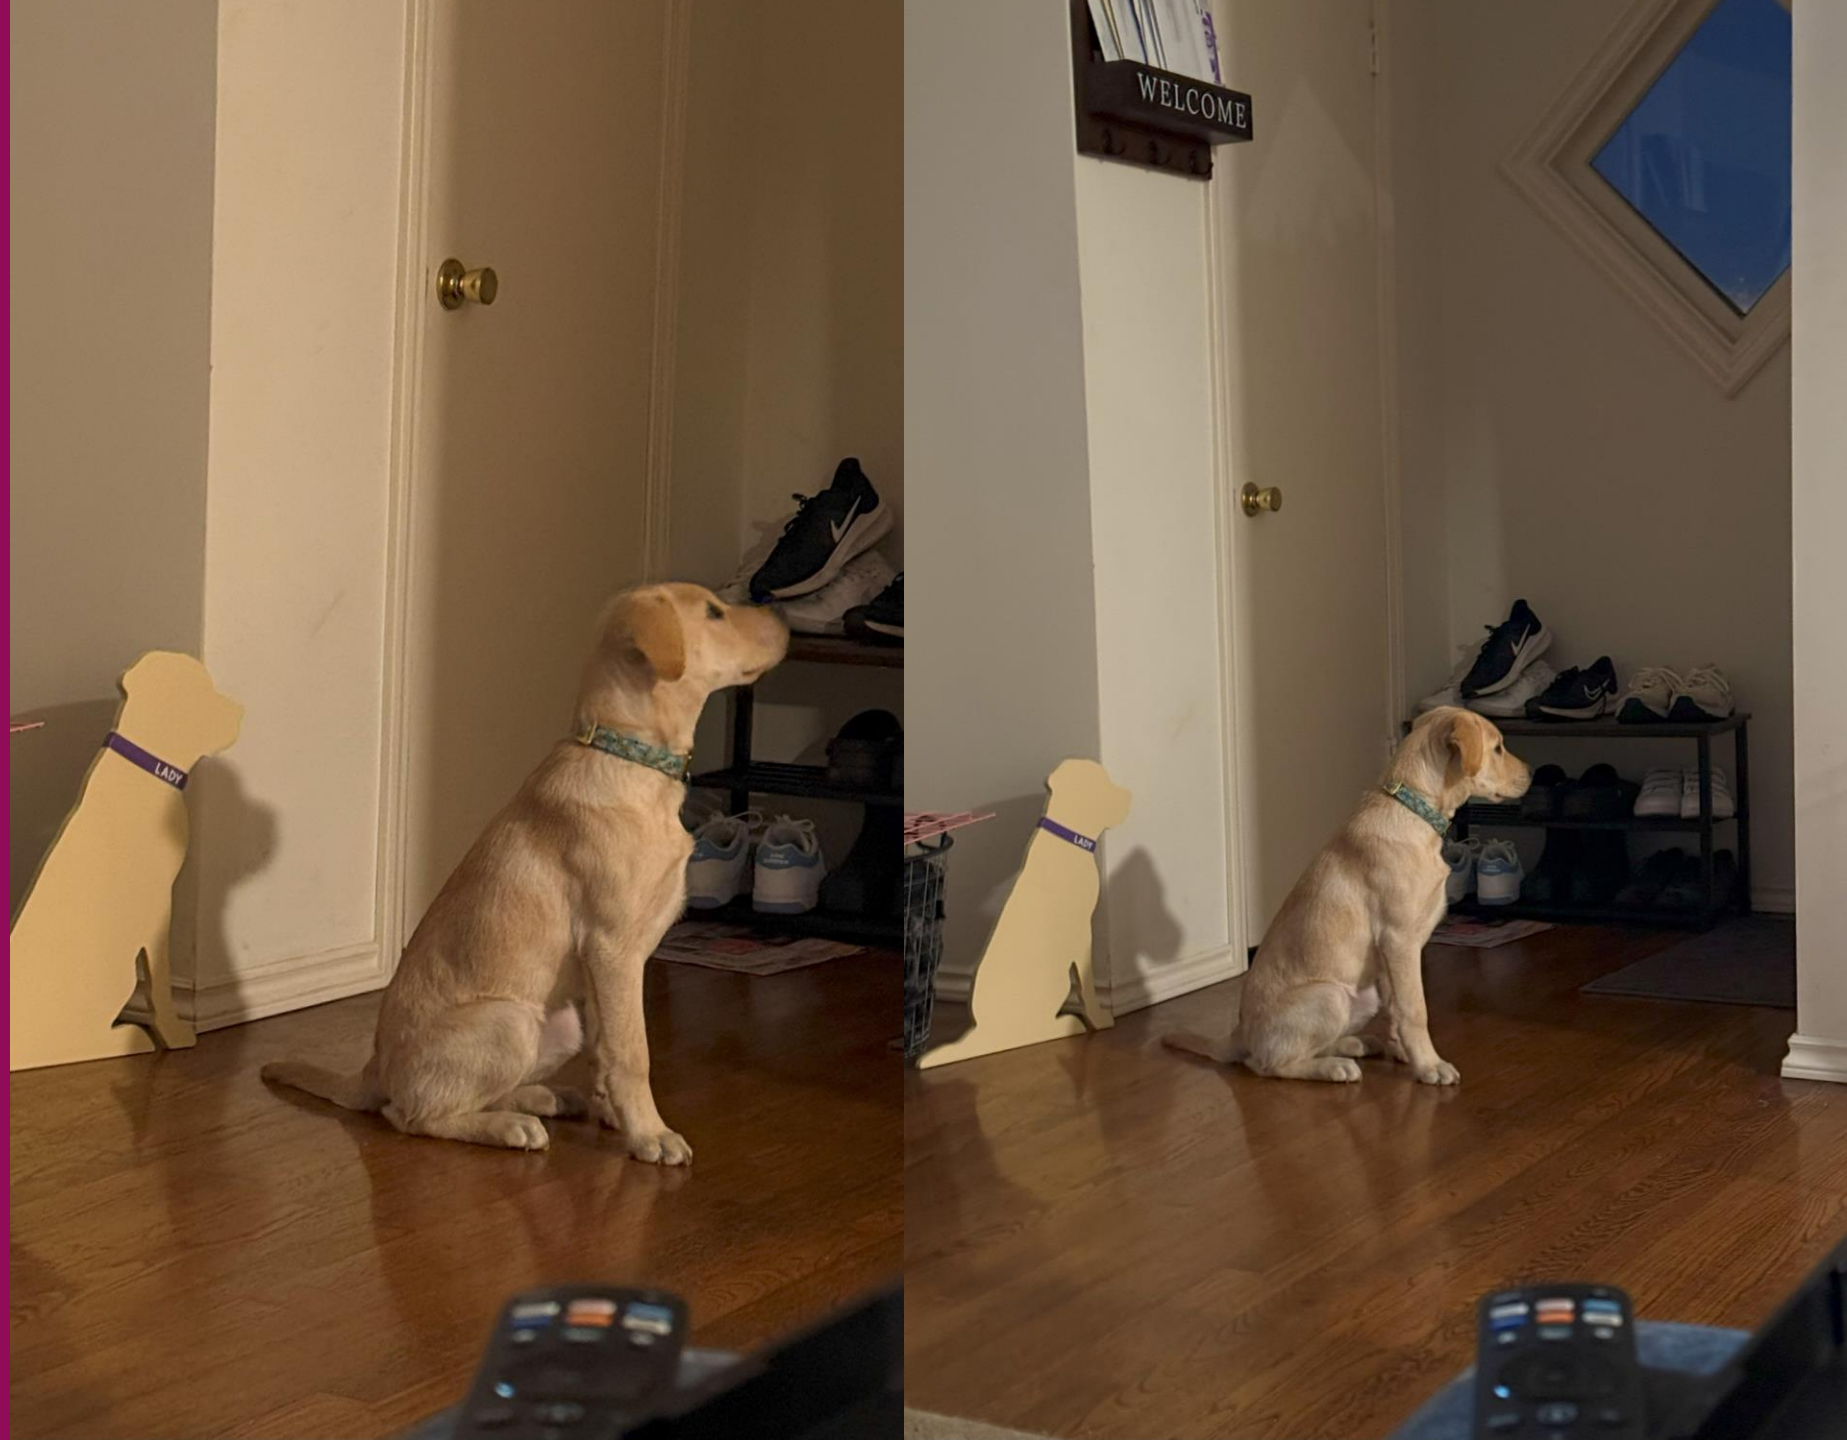

- After Lady got her last round of shots, she became “street legal”, meaning she could venture out into the public. She is pictured below in a grocery store for the very first time, practicing position changes (sit, down, stand)

# WAITING FOR HUMANS TO COME HOME

- Here is Lady waiting for one of her raisers to come home from work. She is very smart and has seemed to learn their work schedule.

# SETTLING

- Lady has become very good at settling while one of her raisers works from home

# RESTAURANTS

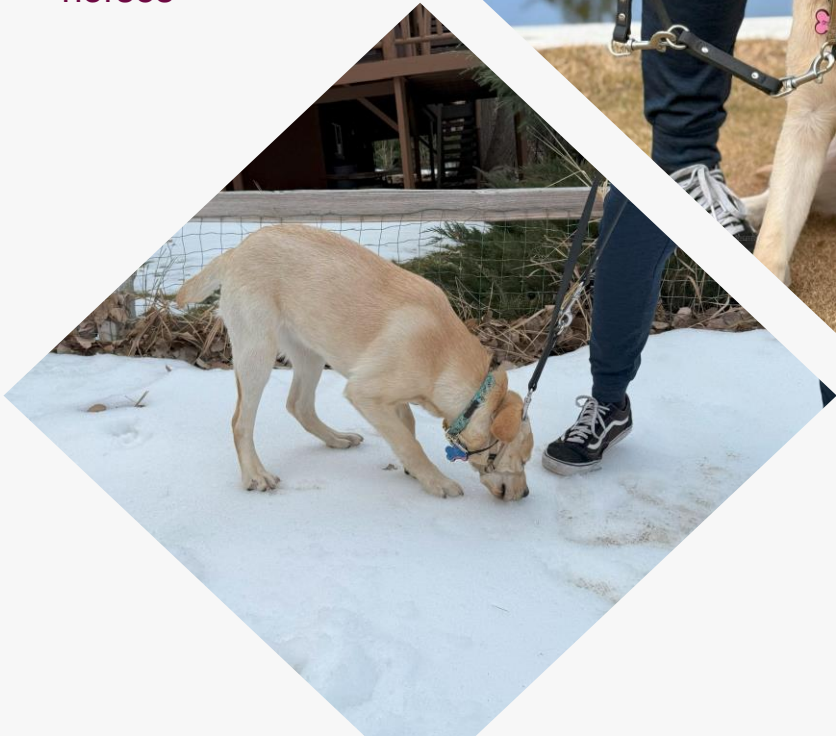

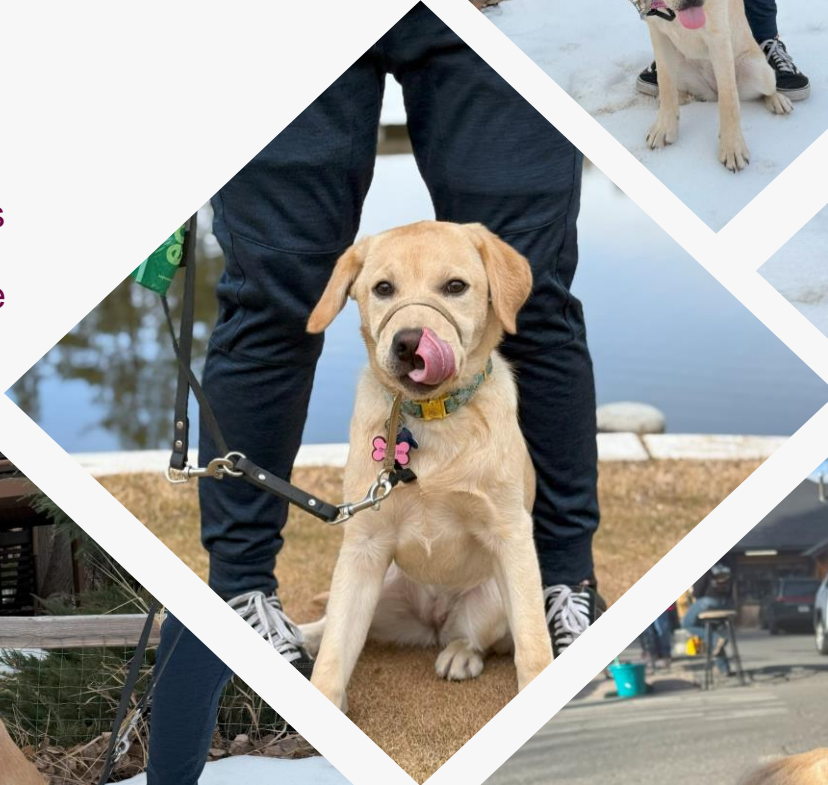

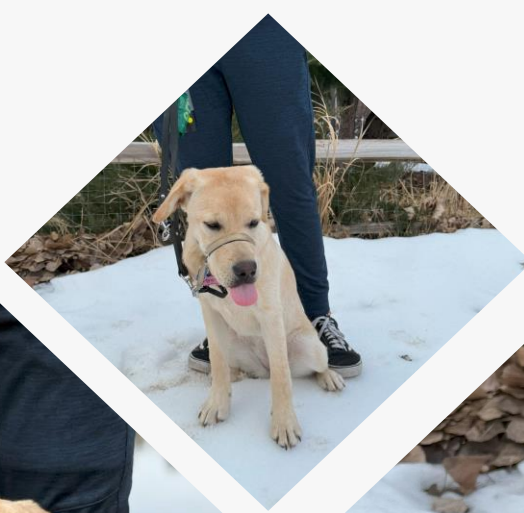

- Lady has started venturing out into the world – visiting all kinds of stores, restaurants, parks, and general public areas. Here she is standing in line while her raisers pick up some food.

# FUN IN BIG BEAR

- Lady visited Big Bear Lake, CA while there was some snow on the ground. In such a new environment, there was so much to explore! At the bottom you can see Lady was able to meet a couple of Clydesdale horses

# MORE SETTLING AROUND THE HOUSE

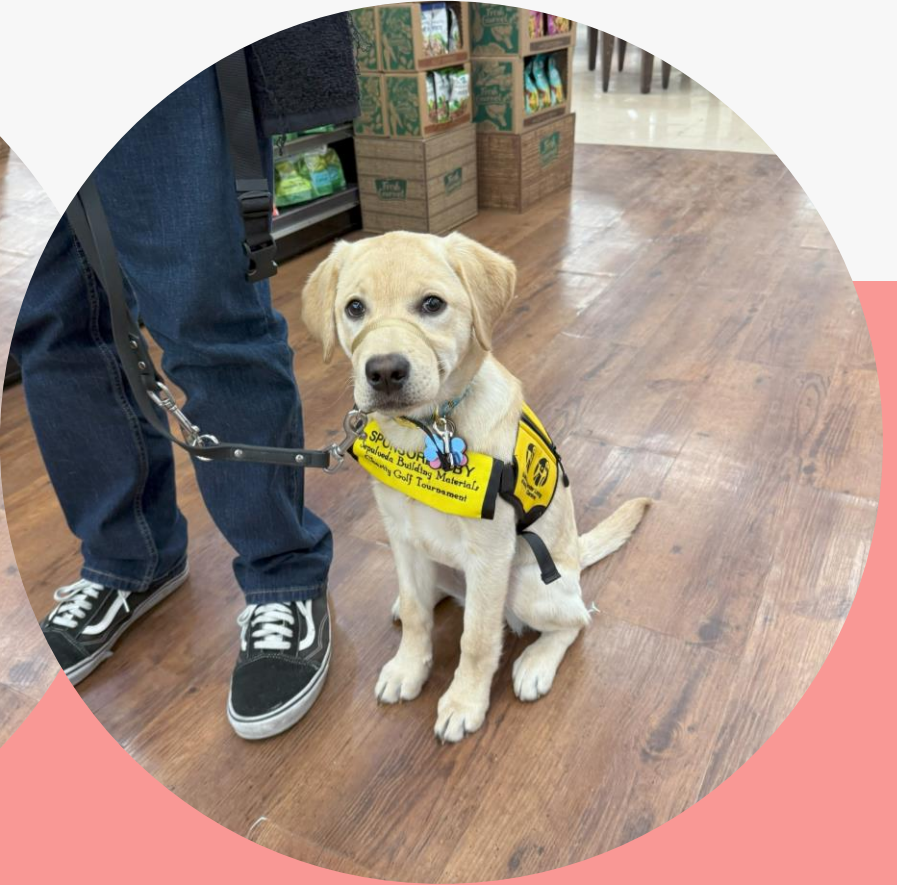

- Lady has gotten very good at settling and entertaining herself while her raiser is working. She loves to play with all her toys, especially the “stuffies” (stuffed animals)

# MORE OUTINGS

- We continue to take Lady out to various public places as much as possible – she is such a good girl!

# CAR RIDES

- Part of taking Lady out in the public is the car rides to get there. She is still a little unhappy on the floor of the passenger seat, she much prefers to be in her crate in the back of the car

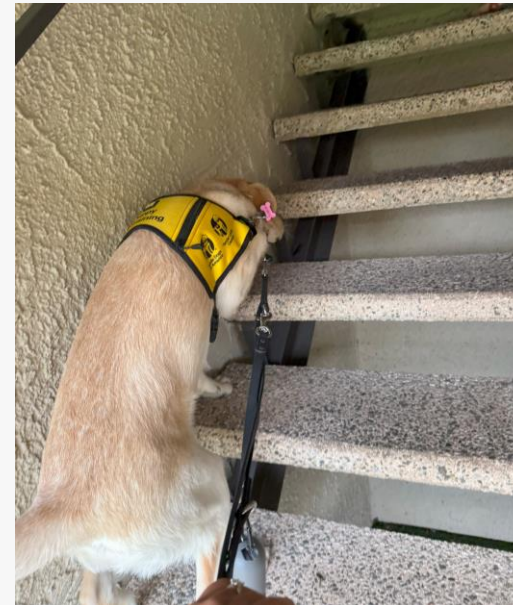

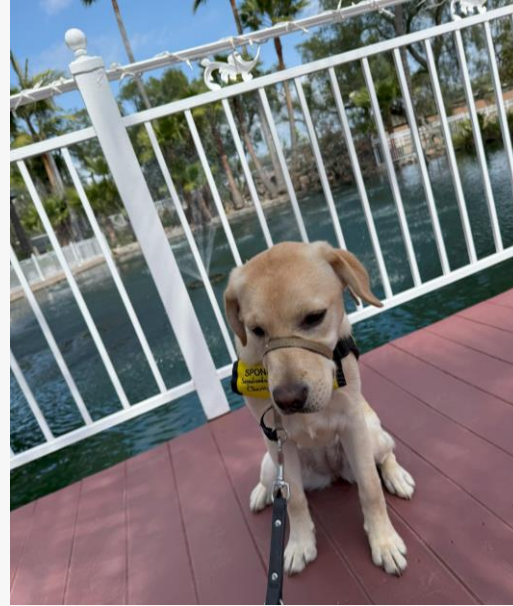

# ST PATTY'S DAY

- Lady celebrated St. Patty's Day at her monthly GDA Torrance Area Group meeting

# NEW PLACES

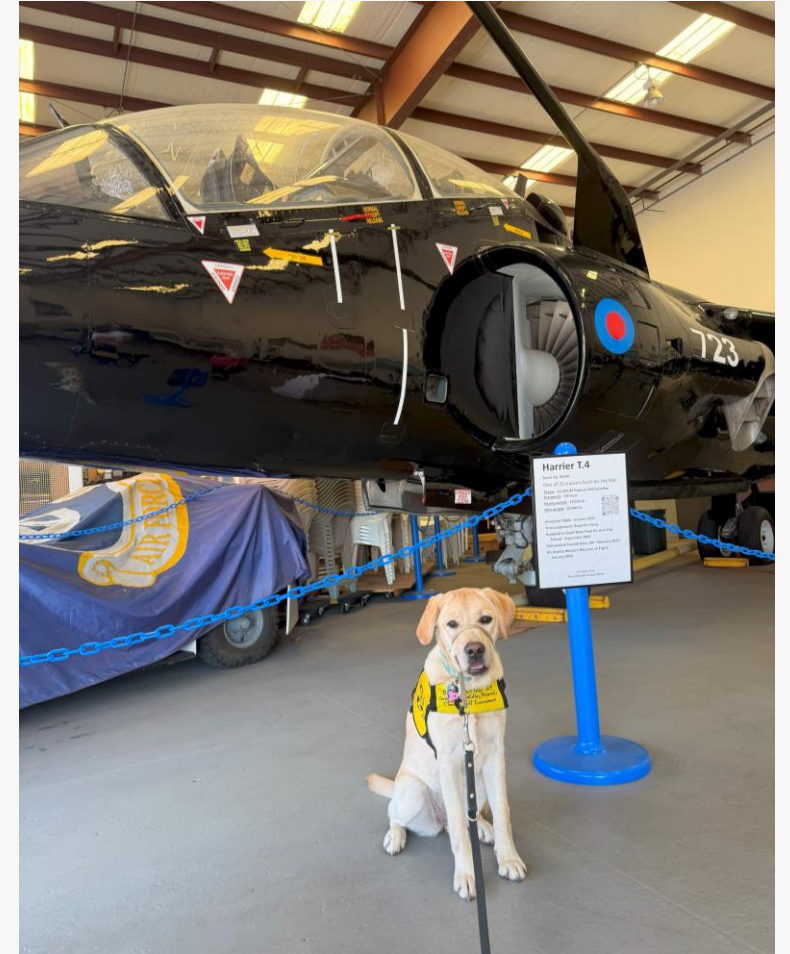

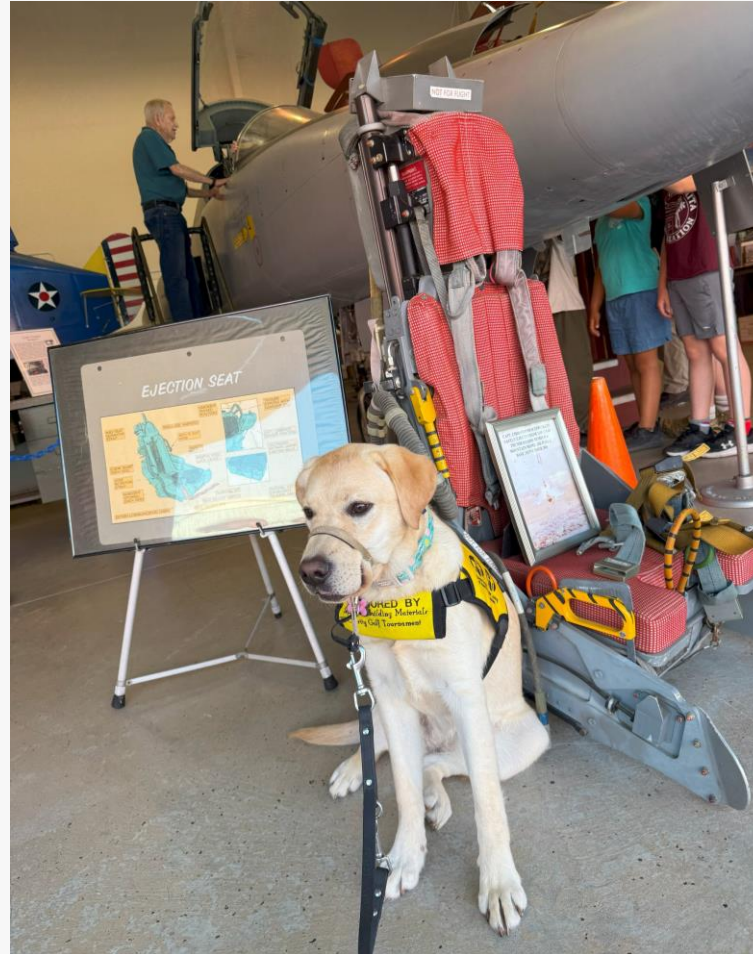

- Lady continues to get as much exposure to new things as possible. Here she is pictured at a pond, where there were turtles and ducks, as well as experiencing an open staircase for the first time (a little scary at first)

# TORRANCE AREA GROUP OUTING

- Lady visiting an air museum on a group outing

# NEW SURFACES

- Here's Lady at the GDA Torrance Area Group monthly meeting working on different surfaces as well as making some pretty scary jumps over water! She was so brave!!
