

ADVENTURES OF SUPER NASH

Guide Dogs of America Puppy in Training Nash
Generously sponsored by Sepulveda Building Materials

SMALL BUT MIGHTY

Dear Sepulveda Building Materials,
I've been in training for just over a month. I have "Puppy Kindergarten" classes with 4 other puppies and I'm SUPER excited to learn more! I love to play with my new siblings at home, especially tug with the big ropes.

I'm still too little to go far from home, but I really like taking walks on my street- I'm not scared of bikes, cars, or even the trash truck!

I like to roll around & get belly rubs from mom. I can go up and down the stairs by myself most of the time, even though mom sometimes helps.

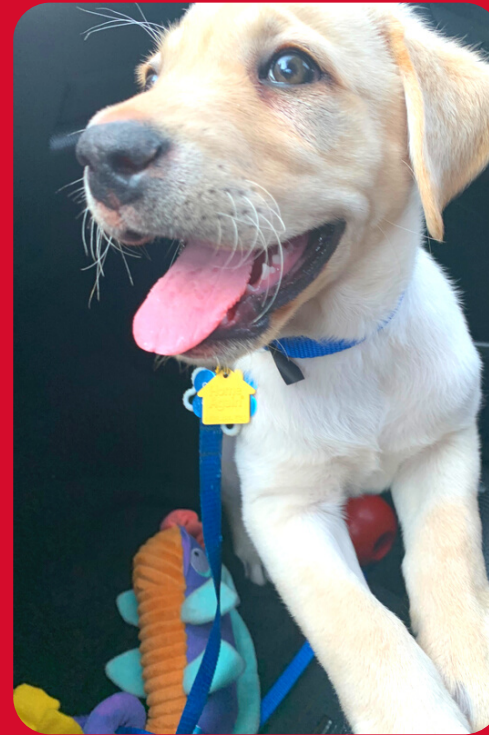

Check out some of my adventures so far!

IT'S A BIRD! IT'S A PLANE!

NO, IT'S
SUPER NASH!

I went home on December 4,
leaving my two siblings... and
gaining two NEW siblings.

*I'M ALWAYS PREPARED TO
TAKE ON THE BIG GUYS!*

SUPER HEROES TAKE SUPER NAPS

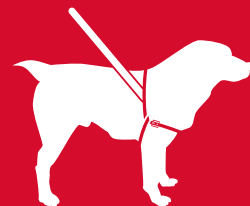

Mom makes sure I
follow my
training regimen
to become a big,
strong hero

Staying still for a
picture was hard
work but I did it!

I met a "child" for the first time-
they're like human puppies!

I'm learning how
to "settle"

& I have another
dog friend!

Super Nash says...

Thank you!

Thank you Sepulveda Building
Materials for sponsoring me! I can't
wait to show you more of my journey
on my way to becoming an OFFICIAL
super hero!
