OCTOBER-DECEMBER 2021

Halloween Season

I've continued to grow so I barely fit my costume!

First Bus Ride

I enjoyed a group outing on the Thousand Oaks bus! It was hard to not play with my friends, but I was not afraid of the bus at all.

Oh the places you'll go...

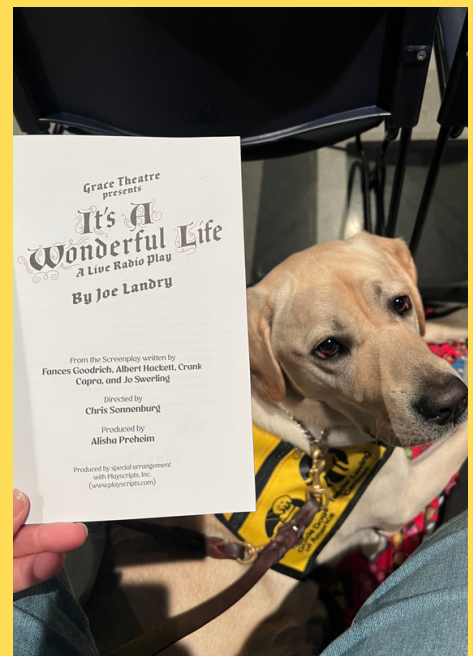

Game night at a
brewery

Boba Tea House

Karaoke!

My first play

The Valley Hive

Lake Balboa Park

Sushi

Rain Walks

Puppy Sitters

Major

I've been a good boy every time I stay with a puppy sitter... it helps that I love seeing my friends Major and Justice!

Bath Time

Apparently some dogs don't like baths but I LOVE them! I'm not a fan of the dryer yet but I do love when Mom rubs my head with the towel.

Train Ride!

I got to take the metro train from Sylmar all the way to Union Station!

There were lots of dogs and we all had to fit in to small spaces

This was one of the hardest outings yet, because there were so many friends around all the time... but we worked hard on focusing.

We worked on loose leash walking behind other dogs, position changes, sit stays, down stays... all with so many distractions!

By the end of the
day, I was so
pooped that all I
wanted to do
was sleep... even
when I was right
next to my BFF,
Justice!

New kids on the block

I went with Mom to my first "Family Camp" weekend where I met babies and toddlers for the first time.

Mom says I was very gentle and everyone was so impressed!

Being a Puppy-in-Training is Hard Work!
