**Late holiday gift, a
Hanukkah onesie!**

**Look how big I am
compared to my
2020 Hanukkah
outfit**

FEELIN' CUTE

**Always being well mannered with my
fellow puppies in training!**

Playing with friends is fun, but we always
make time for training and settling together

My most recent homework is to practice with other puppy raisers. Staying with new people means new experiences too!

Horse

RV Camping

Chicken

**Mom decided to
"puppy sit" for
the first time
too!**

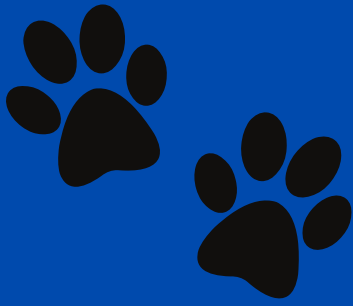

**Misha and I had a
good time**

I have gone to many outings and I'm very serious when I work

Siblings!

I had a play date with my sister, Nora, for the first time since we were 8 weeks old! Can't you tell we're related?

*Thank
