Dear Family,

I am writing to update you on my progress in service dog training. This month, I primarily focused on learning...

How to "Dress" - I am now able to put my working vest on all by myself.

Some other things that I am learning include...

I have learned how to get on the platform. I had problems at first, but with practice I know to do it with no problems.

I am good at...

The cue "TOUCH" Everytime my Trainer puts his hand out I touch his palm. Its fun and get a treat every time.

I am having challenges with...

My Impulse - I am just so energetic and love other people and dogs - also I like to eat stuff off the floor. But my trainer tells me that's not okay - I am learning to stay away.

I have the most fun when...

I play with the other dogs in the play pen - I met new dogs & new friends - I play till I get tired.

My favorite toy is...

The pickle its a green toy were my trainer puts kibble inside of it. I love getting to the kibble inside.

Wags & Kisses,

SAGE
