Titan is a Labrador, Golden Retriever Cross. Born on January 7, 2013.

Webster's dictionary defines Titan as "One who stands out for greatness and achievement" a very fitting name for a future Guide Dog.

Titan is now 9 months old and tipping the scales at 79lbs. Titan represented Guide Dogs at the Dog Days of Summer Event, He attended the Charity Golf Tournament, He has graduated from basic obedience.

He attended the OCTA Orange County Transit Authority Service Dog Training Day which included learning how to ride on a bus and a walk through Knott's Berry Farm with lots of distractions.

This boy is very busy, I often have to check my calendar to see what he has scheduled next.

Obedience Class

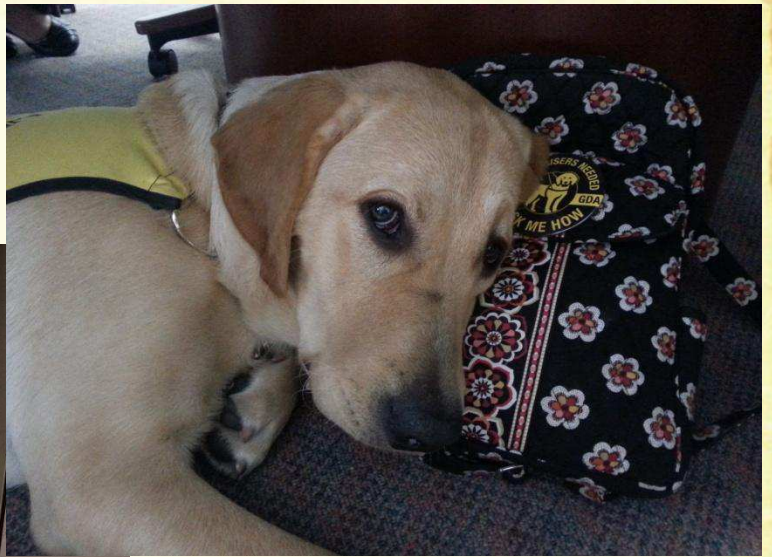

Titan attends several obedience classes, at both the Guide Dog campus and private obedience classes with the public. The foundation of any guide is excellent obedience. Titan does very well in his training.

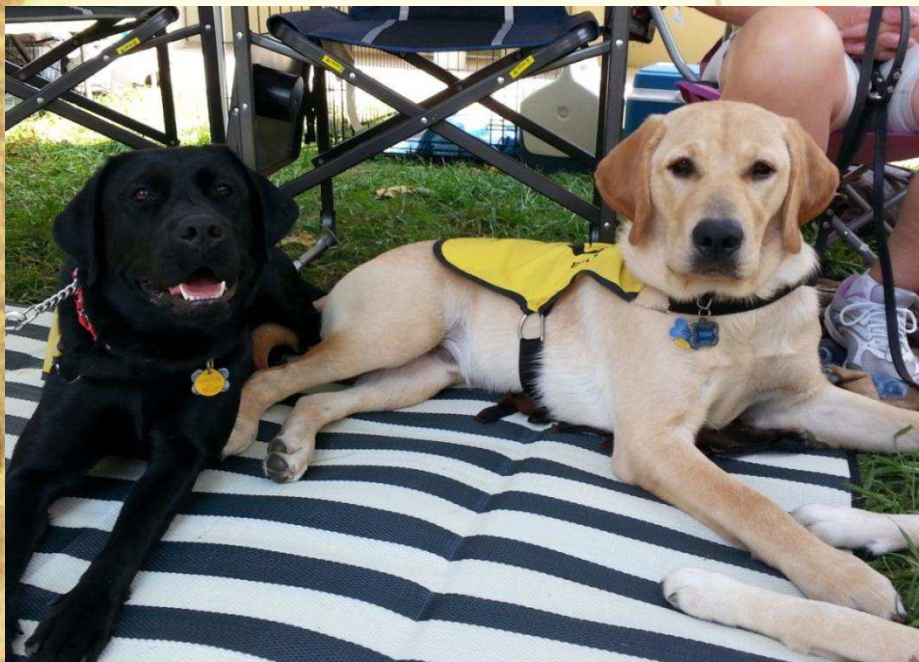

Stuffed Animals and cookies on the ground and you want me to leave it there.....I was a star student

Here I am at work, I have a place under the desk and my favorite pillow is a backpack

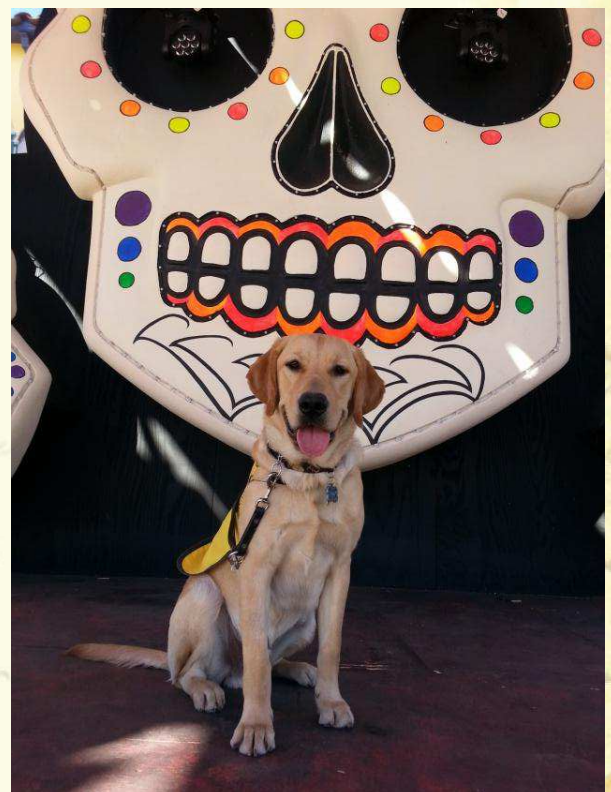

I worked the Guide Dogs of America Booth at "The Dog Days of Summer" in La Habra Heights, where I enjoyed a bacon flavored snow cone.

OCTA Training Day

I got to ride on buses, visit Knott's Berry Farm, watch the ducks swim, lots of distractions and I did very well. The roller coasters were really loud and so were the people who were on them. The Cowboys were shooting guns and it didn't bother me, I got to say hello to these rascals.

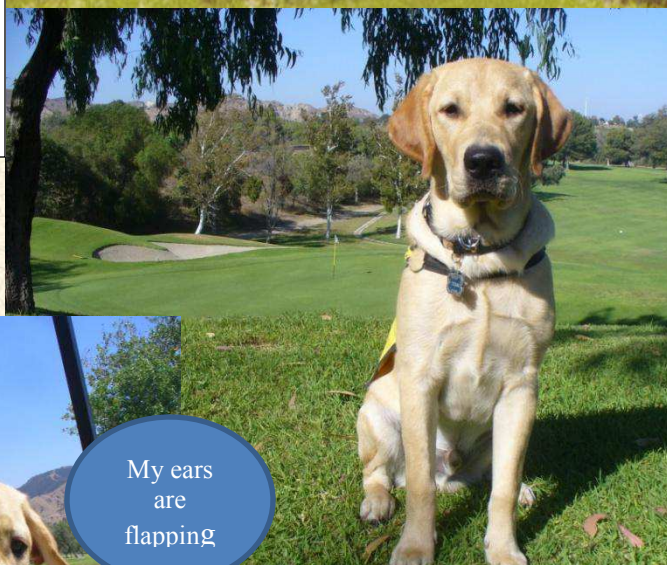

A few of the stops along the way, Braille Institute, Camp Snoopy, and these nice ladies didn't say a word to me.....
