

Venus

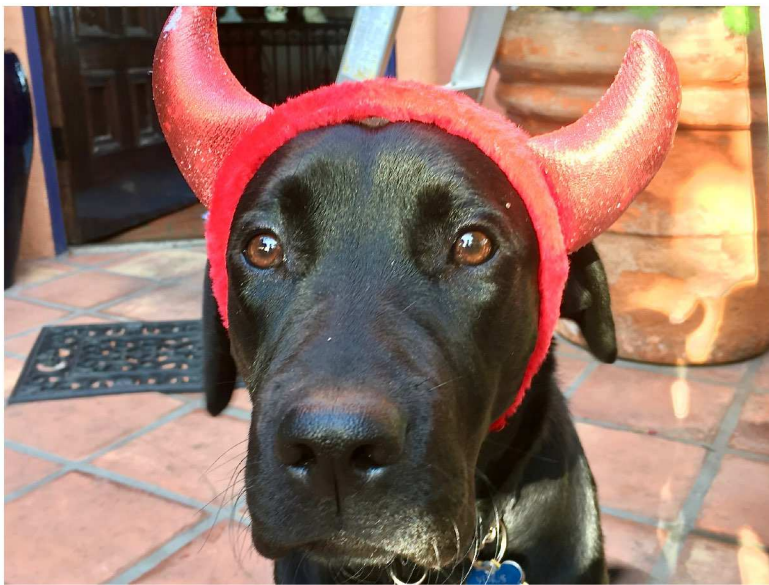

THANK YOU SEPULVEDA BUILDING SUPPLY FOR YOUR ENDURING SUPPORT OF GUIDE DOGS OF AMERICA AND ME.

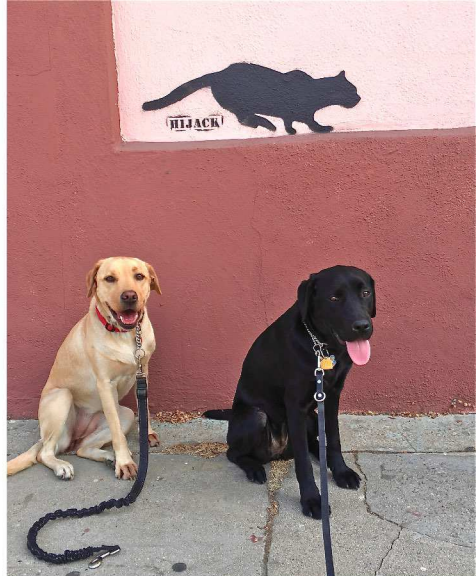

Beautiful,
Confident, Attitude
and Making Serious
Progress. 10 - 13
Months.

So much to celebrate.

Halloween, I decided not to be a fairy with a tutu, so my sister Clary and I shredded it, I was a dog being eaten by a shark. My first birthday, I celebrated with my sister Vivian. My first Christmas with family was fantastic, my brother came home from college. We celebrated his 20th birthday and the New Year.

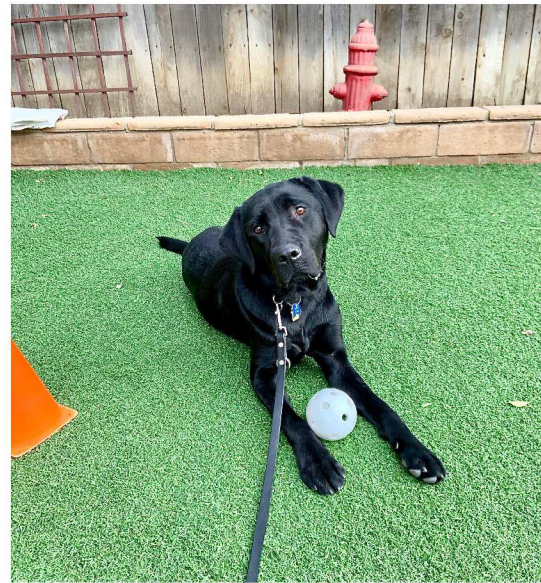

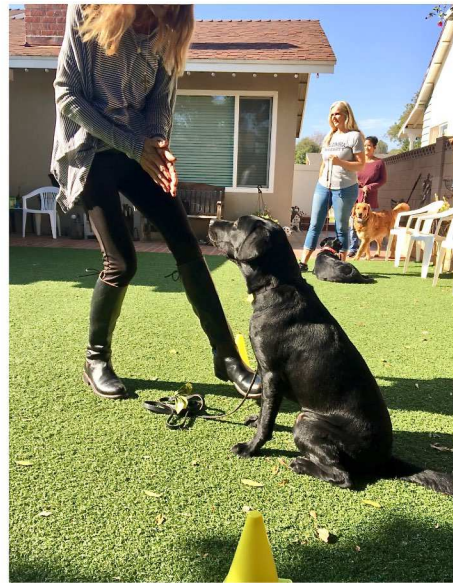

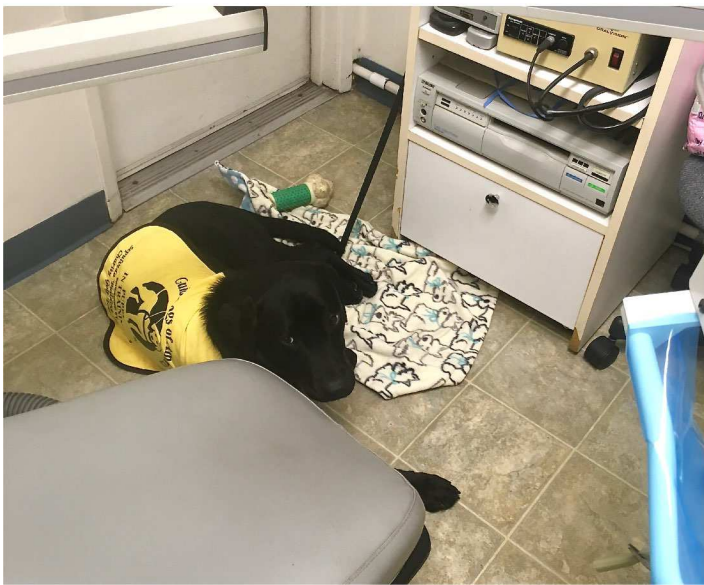

Exploring...

I walk everywhere, my neighborhood, new neighborhoods, busy streets, daily hikes in the park. I finished my Advanced Obedience class and received the AKC Canine Good Citizenship Award.

USC CardioVascular Thoracic Institute

Mom takes me everywhere and the distraction level has been increasing. We have been going to doctor's offices, Amtrak stations, LAX, too much shopping, and tons of decorations in the shopping places. I performed my canine civic duty & voted.

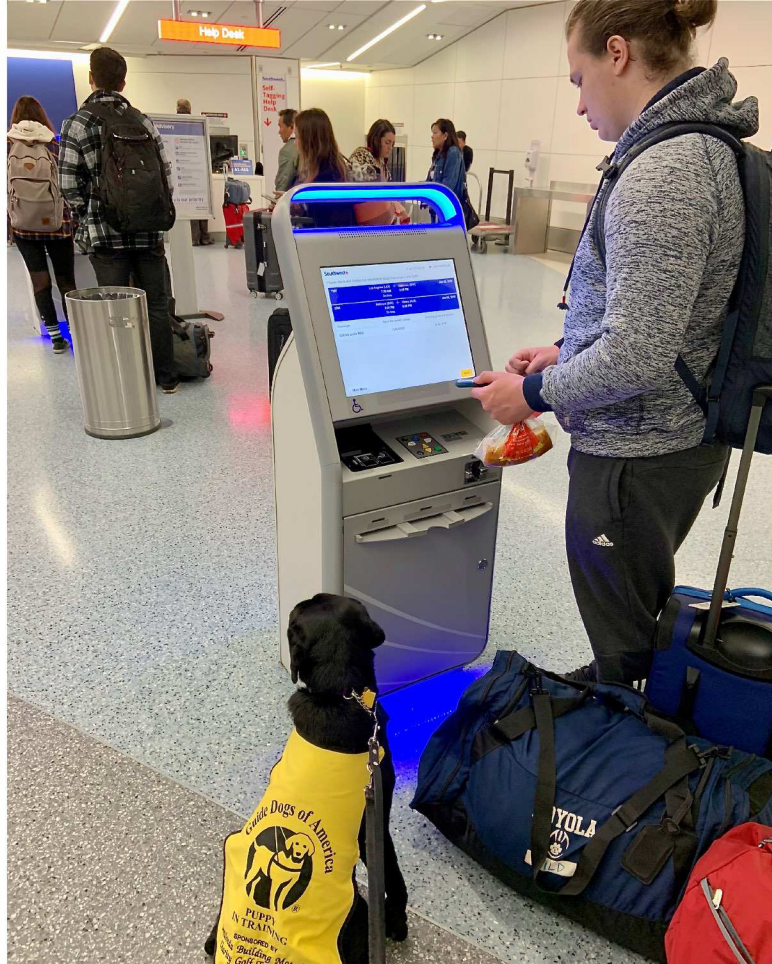

Christmas

I loved all the decorations, the presents, the lights, I participated in the Granada Hills Holiday Parade and met the biggest dog I have ever seen.

Saying Goodbye

My brother had to go back to college, not sure what that is but I understand I will go there too soon.

Thank you Sepulveda Building Supply for
your kindness & generosity.
