## 13 months– 17months, Turn In

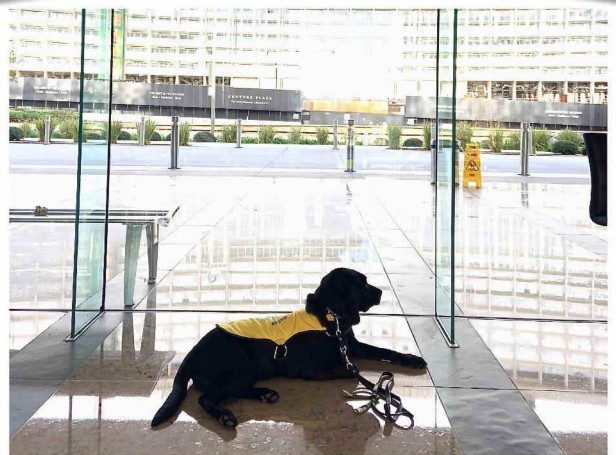

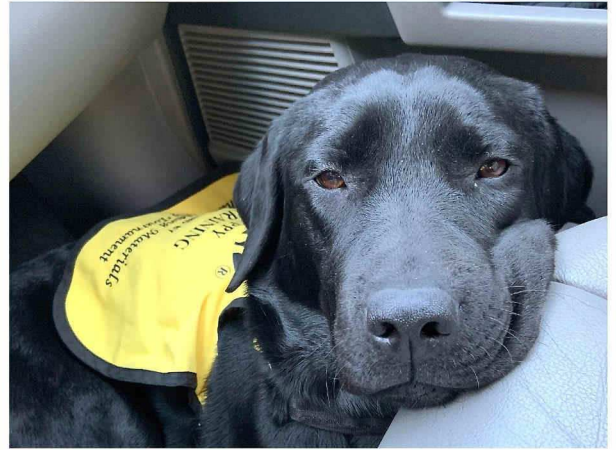

---

I have grown and matured, still the smallest of my litter, but I am bold, brave and will be conquering my new challenges with fervor.

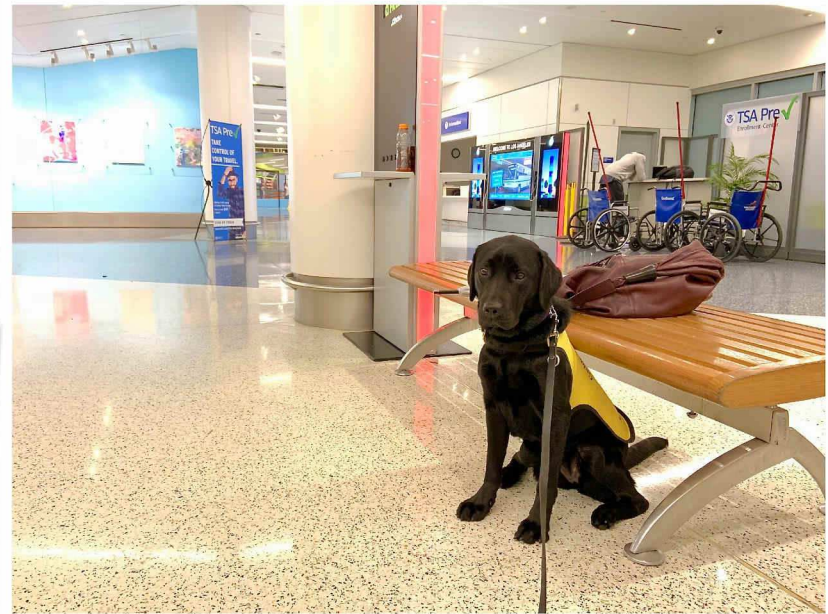

## More Challenges met with Confidence

I have been exploring many new environments, Dodger Stadium, LAX, 3 presentations at the Dogs! Exhibit at the California Science Center and working many GDA booths.

## Turn in for Formal Training

I went to a nice luncheon with all my siblings, my puppy raiser took me to the kennel afterward to say good bye. I'm ready to learn so much more, I can't wait. it will be so much fun. My puppy raiser cried but she knows I am going to ROCK THIS!
