

*Thank you
Sepulveda Building
Materials for sponsoring
me and my brother and
giving us a chance to
help someone.*

**Vince &
Mamba**

July 2020

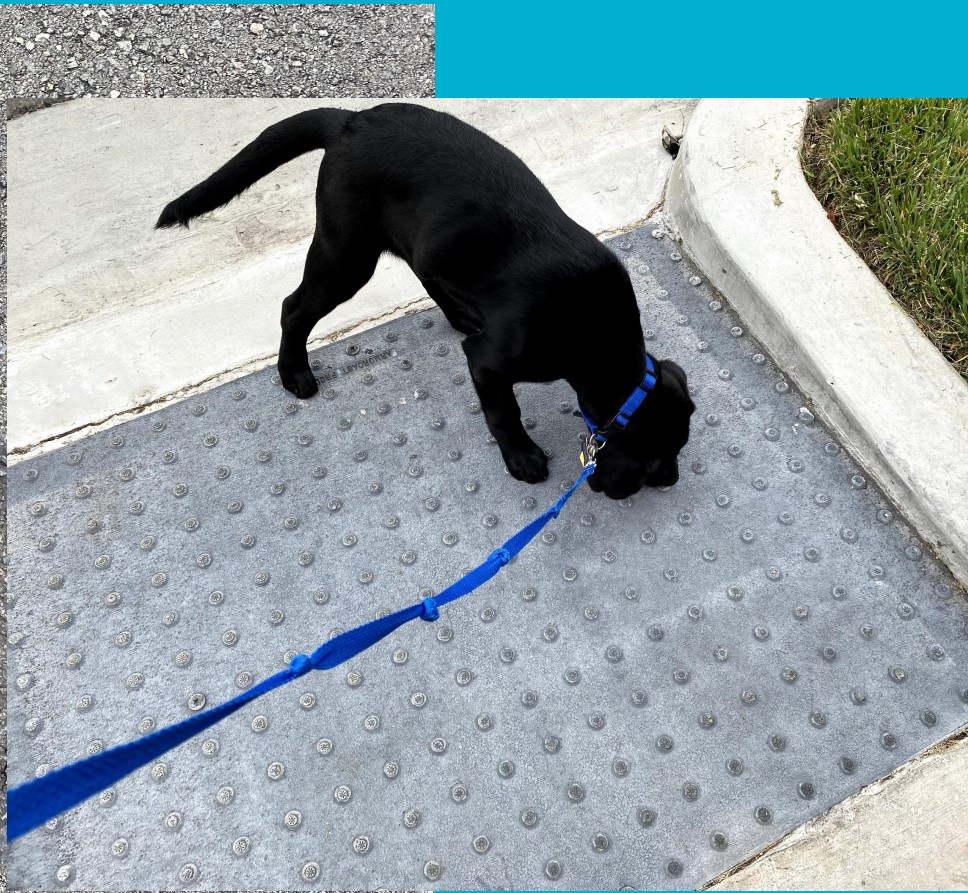

Mamba left for guide dog college on June 6 for the second time. We were grateful for the extra time we got with him.

Vince turned 4 months in July and is now street legal! He loves to explore different surfaces.

We practice obedience in noisy situations – like next to landscapers and the trash truck.

**I got to visit my
brother, Vaughn.
Vince Vaughn. :)**

**That's me on the
left sporting my
fancy new
sponsor jacket!**

**This is what I do when I am
waiting for Mommy to get ready
for our morning walk.**

**I am really
good at settling
in the car now!**

**I got to practice patience
when we waited in line to
check in at the doctor's office.**

**This is me practicing
my “Close” command.
I’m pretty good at it! :)**

**This is me relaxing for
my afternoon nap.**

Life is good!!

Dear Family,

How are you doing? I am great! I have spent the last few weeks with my instructor learning how to walk with a special black & white harness on, and boy oh boy do I look good!! I am learning how to stop at curbs, make left and right turns when my instructor tells me to and keep him safe from objects on the sidewalks. My instructor is always telling me what a good boy and I am, and I have to say, I love hearing it! Oh, and I get out to play almost every day to play with my fellow kennel mates when I am not working!

Miss you guys, but I'm having a great time!!

Wags and kisses!

Mamba

Guide Dogs
of America

Tender Loving
Canines

Mamba finally learned to email at college and wrote to us. He sounds like he is doing great!

We miss him, but we are sure he is learning a lot and having lots of fun too!
