

Dear Family,

Happy New Year! I hope you've had a wonderful and safe start to the year. Over the past few weeks, we've been busy fine-tuning all my skills and working with different instructors. We've been training all over the San Fernando Valley, and my instructors have mentioned that we might even be heading to downtown Los Angeles soon to work in the big city. How exciting!

But don't worry, it's not all work and no play! I'm still enjoying lots of fun and receiving plenty of extra pampering from the kennel staff and volunteers.

Wags and kisses,

Whelan
